More than 100 American Clergy Leadership Conference (ACLC) members, local Unificationists and guests gathered for the first-ever "Gospel Jubilee." Hosted by the Minneapolis Family Church at their new church facility on September 21, the musical celebration was in preparation for the upcoming Peace Starts With Me rally in Chicago on October 19.

Guests were treated to a variety of performances, including African dance, uplifting spiritual numbers, songs of praise and worship, and spoken word poetry. "We truly exceeded our highest expectations," said Pastor Hyungtae Ha of the Minneapolis Family Church. "Everyone felt the love and spirit of God while we danced in the aisles and sang and prayed together."

Program Manager Mr. Keith Anderson gave a brief presentation on Dr. Hak Ja Han Moon's recent Peace Starts With Me rallies before inviting the audience to the Chicago rally. Following this, Pastor Ha led a Marriage Blessing Ceremony.

"Gospel Jubilee was an amazing experience and I am excited to see God fulfill the vision He has given you," said Atlantis Wigfall, who served as emcee. "I would be honored to continue to work with you."

Bishop H. William Scott, whose family was instrumental in bringing both guests and professional performers, closed the two-hour program in prayer.
