**St. Georges, Canada** – On a beautiful sunny day on August 29, 2026, Lions Club International unveiled a monument and eternal flame in the city of St. Georges, Quebec.

UPF was invited to appoint the international president of the Lions Club, **Mr. Mark S. Lyon**, as an

ambassador for peace. Our good friend, **Mr. Antoine Nahas** of Lions Club Montreal and Quebec coordinator for UPF, **Mrs. Isabelle Laurin**, facilitated and organized the occasion.

Federal and provincial members of Parliament attended, and the mayor of St. Georges welcomed the more than 150 people in attendance.

**Dr. Franco Famularo**, president of UPF-Canada, explained about the Ambassadors for Peace global network and presented the certificate to Mr. Mark Lyon.

All present were encouraged by the spirit of collaboration for peace.
