

CARP WINTER WORKSHOP UNITED IN MOTION INHERITING THE VISION

We are happy to invite you to the upcoming **Winter CARP workshop!**

The workshop will be held over **3 days** at **Livingstone House**, with everyone's busy study/work/family schedules in mind – we want to make it a short but meaningful and memorable time together.

The motto for the workshop is '**United in Motion: Inheriting the vision**', through this focus we want to have a real sense of our collective responsibility, and the role we play in supporting each other to move forward – particularly with the new year in mind, and to connect to a bigger vision together. This will be a valuable opportunity to receive focused content, share together and take a break from the pressures of study and work to refocus on life from a different perspective.

We really hope that many of you can find the time, and decide to participate and contribute towards making it a big success; to unite in motion and have a clear vision for the year ahead. Please consider attending, and if you are at all interested be in touch.

COST

£55
