March 23, 2011

This summer, as usual, there will be opportunities for international 2nd Generation to participate in the 21 and 40 Day workshops in Cheong Pyeong training centre. All the key information is now online in the English Language section of (<http://eng.cheongpyeong.org/>), so please research there. This post is just informing you of 3 key opportunities: the dates for the 21 and 40 day International 2nd Gen Workshop, the info regarding the special 'Coming of Age ceremony' for 18 year olds, and opportunities for 18+ to staff on the International 2nd Gen Workshop. The website should aid you in your planning and research – regarding dates, ages, costs etc – all the relevant documents are available there for download (we have also sent an email around, so we hope you can be well informed in advance to make plans) But at a glance you can see the basic 21 day and 40 day workshop schedule for international 2nd Gen:

### 2011 Cheongpyeong 40-day Special Workshop for International Blessed Children

(The 155th Cheongpyeong 40-day Workshop)

#### 1. Schedule for the Cheongpyeong Workshops for International Blessed Children:

Workshop	Time Period	Participants
40-day	<b>July 6(Wed) – Aug. 14(Sun), 2011</b>	Blessed children(and *Sung Hwa Students) in high school, <b>16~18 years of age or in grades 10-12</b> , who understand English*
21-day	<b>July 6(Wed) – July 26(Tue), 2011</b>	Blessed children(and Sung Hwa Students) in junior high school, <b>12~15 years of age or in grades 6-9</b> , Those high school children that cannot attend full 40-day workshop, who understand English **
	<b>July 25(Mon) – Aug. 14(Sun), 2011</b>	

\* **Sung Hwa Students** (Blessed Children and Jacob's Children) refers to the students of our church who are attending high school or junior high school.

\*\* It is strongly recommended that those Sung Hwa Students in junior high school participate in the 21-day workshop, but if the child strongly wishes to attend the 40-day workshop, please contact international office or the USA Headquarters' Education Department Office (if you are from USA) beforehand.

\*\*\* If a Sung Hwa Student (in junior high school or high school) completes two 21-day workshops (one this time and one before, or one this time and one at a later time), they can receive a 40-day workshop certificate at the end of their second 21-day workshop.

Attending a workshop in Cheong Pyeong is a big investment, as well as a potentially significant experience in our Unificationist life of faith – so we encourage you to consider going when the time is right. Each year we often have a sizeable group attending from the UK – so it is helpful to know who is planning to go. If you are, please send an email ([youthministry@familyfireplace.org](mailto:youthministry@familyfireplace.org)) – as it can help build a picture of where British Youth are over summer, and inform other parents who may be interested. Soon we will have all the Summer dates for key youth activities (regional national, European, and international) , so you have a full picture of all options for Youth in Summer 2011.
