

Spiritual Care & Spiritual Leadership Workshop

The workshop designed for Blessed children aged 19-25

3rd – 5th May 2019, Dunajska Luzna, Slovakia

Dear Brothers and Sisters,

We invite you to participate in a weekend workshop on the theme of ‘Spiritual Care & Spiritual Leadership’. This workshop will include guidance and support for those seeking to provide care and leadership for other Blessed Children. It is in the tradition of HARP & Second Generation Leadership Trainings that have been held over the years. As it is a short workshop, we will focus on offering constructive and challenging content; alongside space to reflect and share with others who are seeking to develop their leadership capacity.

There are many aspects of leadership, but we will focus on the internal aspects of roles related to the education of Blessed Children. Presentations will be prepared by members of the ESGD team, Patrick & Yebuny Hanna, and Julius & Martin Alexy, who are also involved with the Second Gen Blessing Department. Collectively, there is a lot of experience over many years – and we want to share some concepts and experiences which we believe can be helpful to those who are seeking to go deeper in this area of responsibility. The workshop is also scheduled as a part of the DONE Mission 1 programme, so those attending will be joining and contributing to the shared experience.
