

Colorado Family Church: Upcoming Holy Days Celebration on April 13

Michael and Adonia Hentrich
April 1, 2025

In a couple weeks, on Sunday, April 13, we will be having our largest Holy Day celebration of the year. This celebration encompasses three days: Heavenly Parents' Day, True Parents' Day, and True Parents' Blessing Anniversary.

We have around 23 people from our community, including Pastor Mike, that will be traveling to Korea to participate with the celebration there, and we encourage everyone to participate in the live or recorded events that will be available on ipeacetv.com. Normally, we would have our own pledge service here, but many of our offering table volunteers will be in Korea so we encourage you to celebrate as families and watch the events online.

Pastor Adonia will organize the activities locally. We have a number of activities planned after service. We will start with testimonies in the chapel and a [yute game](#) will be either in the dining room or the cafe. We are currently lining up testimonies. If you have a testimony you would like to share, please let us know. It can be an older testimony or could be some way that God has been working in your life recently.

After those things are finished, we will have our Divine Principle & Bible Jeopardy in the chapel followed by our talent show. We would be so happy to enjoy your talents, whether it is song, dance, poetry, comedy, or any other performance.

The art theme this year is "Principles of Creation", the first part of the Divine Principle. This theme is very broad and some possibilities could be nature, spirit world, three great blessings, family, God's love, spiritual growth, etc. If you have a submission, please bring those to the chapel. We will have some tables set up for those.

Afterwards we will have a traditional Korean dinner all together in the dining room.

We look forward to spending the day together with all of you. We hope it is a life-giving and inspirational experience.

Sincerely,
Pastors Mike & Adonia
