

Colorado Family Church: Spring Refresh On May 17

Michael and Adonia Hentrich
April 30, 2025

The 10th annual Spring Refresh is right around the corner. We hope you can make it! As in past years, we'll go from 9am til around 3pm, and you are welcome to come and go anytime during that period. We will have projects going on throughout the day, although we will be focused on getting the majority of them done in the morning. Hopefully we will be blessed with good weather! We will start serving lunch around noon.

As always, we have reserved huge, fun bouncy houses for the kiddos, so make sure to remember sunscreen, swimming suits, and towels.

We will have our clothing swap as usual, so please bring your gently used items to the church before the Spring Refresh. In the past, people have brought clothes in the middle of the day at the event and it is hard to give them away at that point. You can drop them off in the office and please sort clothes in different bags based on gender and size (and please label the bags).

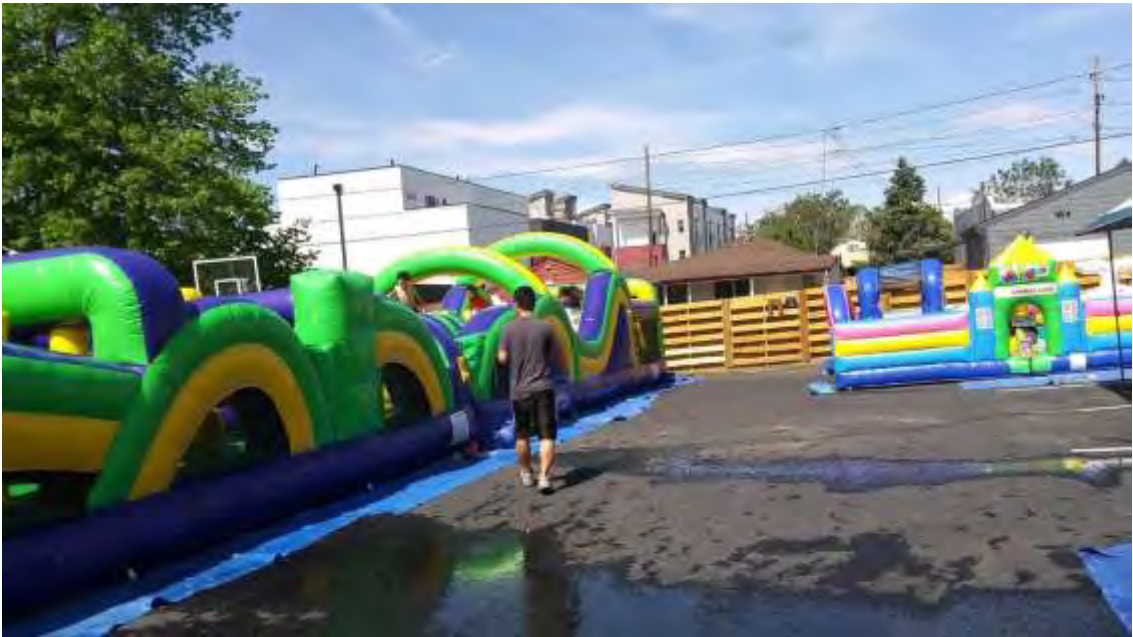

This year we will be mostly focused on landscaping and will need a lot of help outdoors. We will be moving pavers around, relocating the skylift, fixing the big gap in the cement sidewalk in front of the building, and tilling, leveling, and seeding all the yard area in front of the church, YAMI house, and 4plex. If you have any of the following to lend to us, it would be a big help.

- Lawn leveling Rake (s)
- Electric or Gas Tiller (s)
- Seed spreader (other types of spreaders would probably work too)
- Wheelbarrel

If you have any of these items and would be willing to let us use them for the day, please let us know ahead of time. We can always rent or buy if needed, but it is preferable to save the money if possible.

If you'd like to volunteer to grill burgers and brats, please let us know.

Sincerely,
Pastors Mike & Adonia
