

## **New Dollar a Day Donation Fund for True Mother to use as she sees fit**

Dear community,

As you know, Mother will be coming to New York to speak at the Nassau Coliseum in just a little over a week. Generally, whenever Mother comes to America, we ask for a gift to be able to give her to welcome her and support her work around the world.

Rather than asking for donations every time Mother comes to America, we would like to create a fund to draw from and are looking for a few generous people that would be willing to offer \$1 per day / \$30 per month, on a regular basis to support this fund.

These funds are given directly to Mother for her use however she sees fit, which at this time would most likely include the work that she is doing in Africa.

Please consider if you can be one of those to support this fund. If you have any questions, please ask Hisako Geschwind at 720-212-9495, [hisako7@comcast.net](mailto:hisako7@comcast.net) or you can speak with her at church. If you would like to support this, please bring cash or check to her this Sunday if possible.
