Dear community,

Tomorrow is our 5th Annual Spring Refresh, and we are very excited for another awesome year. For those of you who have never been to a Spring Refresh before, it is a celebration of spring with fun, good food, and a service component. Every year, we have different projects to beautify and improve our building and we have a lot of fun. Last year, we painted railings, planted flowers, did tree trimming, stained tables, cleaned our a/c units, painted our parking blocks, painted the woodworking room, and much more. We will start at 9am and go til 3pm.

This year we've got some great projects lined up as well, including flower planting and table staining again, as well as completing the alleyway fence, painting the Sunday School room for children under 4, and also doing a neighborhood trash cleanup. We've reserved a couple age-appropriate games, including a slip and slide and animal themed bouncer for small children.

Ben and Hwa Jeong are preparing delicious Korean Tacos for us and we will also have other good food available as well. It looks like the weather is going to be awesome as well with a high of 72 and mostly sunny all day

Also, it's time for a spring cleaning and to donate your clothes forward to the community! We are hosting a clothing swap during our Spring Refresh on Saturday, Even in you haven't dropped off any clothes yet, you are still welcome to bring them tomorrow. A small donation will be suggested to go toward our new dining room tables. Talk to Pastor Adonia or Clara with any questions.

We hope everyone will come and enjoy this day together. As we discussed in a recent sermon, it is important to do activities as a family that are connected to our faith and traditions. I believe this is a really good opportunity to do that.
