

Colorado Family Church: Tithing Options from a Distance

Michael Hentrich
March 26, 2020

Dear family,

The changing situation in the world has forced us to also change the way that we receive your tithes and donations. We know that for many of you, being able to bring your tithe to church in person is a very meaningful act. However, we don't know how long it will be before we can come together as a community again, and we want to make sure you know what kind of giving options are available to you.

Please take a look at the options below. If you have any questions, please feel free to ask. We are happy to help you set up any of these options. If you would like an automated reminder at the beginning or end of the month, we can also set that up for you. Lastly, if you would like some addressed and pre-stamped envelope mailed to you, we'd be happy to do that as well.

If you are like us, you want to give in a way where a fee isn't taken out. The best options for that are [Bill Pay, where your bank mails a check for you](#) (at no cost), sending money by Paypal to info@coloradofamilychurch.org, or simply [mailing a check to the church](#).

We have an [online form for receiving credit card donations](#) (can be recurring). There is a 3% fee,

which you can optionally choose to pay.

We have a text-to-give option. Simply text an amount, for example '100', to 720-605-1829 to give through texting. [Click here for more detailed instructions](#)

As a friendly reminder, if you shop at Amazon or at King Soopers, please make sure to set up [Amazon Smile](#) or [King Soopers Community Rewards](#) so that the church receives a percentage of your purchases, at no cost to yourself. It only takes a few minutes.
