

Colorado Family Church: Create an out-of-the-box CARP Chapter in Colorado

Michael Hentrich
June 4, 2021

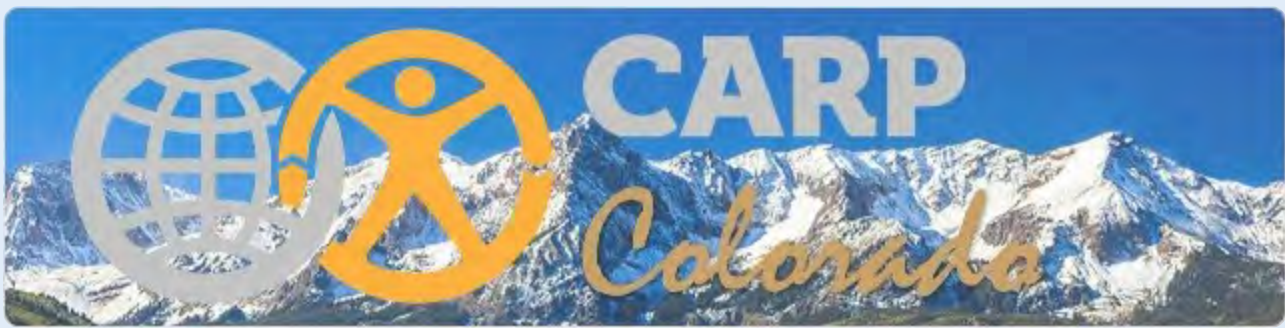

We are doing something new! We are looking for college-age young adults who want to work with us to create an out-of-the-box CARP Chapter here in Colorado. We are opening up a unit next to the church, where students can live together, go to school, and serve their community together. This is a huge collaboration with the community, as we will provide many mentorship opportunities and cast of vision for the future of your life with our many engaged young families and already thriving community. If you are interested or know someone who might be, please take a look at the application below. Spots will be filled first come, first served.
