Dear family,

This month of September brought the return of fall and the beautiful colors of the changing trees. Some notable highlights of the month are the community hikes that Roger Fuehrer organized for us and the new session of the Marriage Course. We are also working hard to progress in our ever-expanding renovation plans. Take a look below for these highlights, and stay tuned for more exciting updates next month.

### COMMUNITY HIKES

Roger Fuehrer led some beautiful fall hikes this month to Georgetown and Kenosha Pass. Kenosha Pass was probably our biggest community hike yet, with almost 60 people attending. Thank you Roger for providing these wonderful opportunities to get out into nature. [See more photos here...](#)

### MARRIAGE COURSE 2021

We are grateful to be able to once again host the Marriage Course for our families. Gelo and Kazuyo are hosting the course and many people are pitching in to help prepare meals and give support for our couples. Thank you to everyone, and we hope this ministry can be a blessing to all that attend.

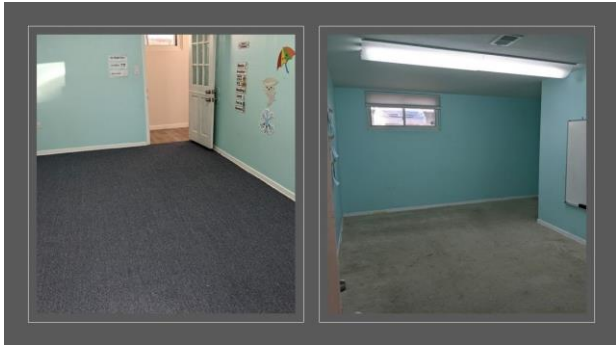

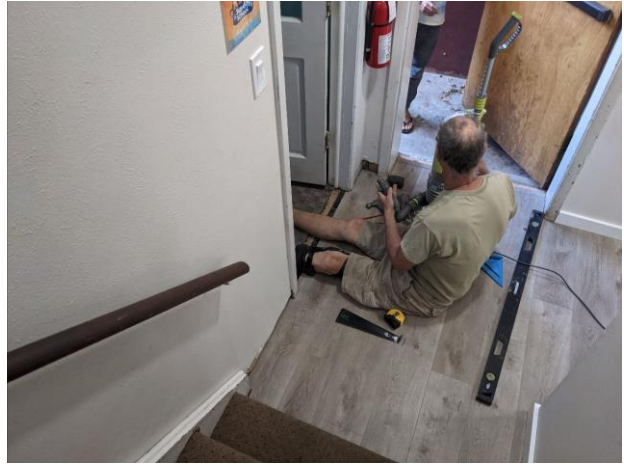

### CONGRATULATIONS and WELCOMES

A big welcome to three amazing young men: John Ramolele, Samuel Suia, and Anton Smirnov. Their Hyojeong Peace Corp focuses on supporting important initiatives through their fundraising efforts and they have decided to relocate to Colorado. We are grateful for them and look forward to working together from here on.

### CONTINUED RENOVATIONS AND IMPROVEMENTS

This month, we focused on finishing up the hallway renovation and fixing the concrete wall by the parking lot. In addition, we had a new carpet installed in the preschool Sunday School room. The old carpet was really due for a replacement. Work also began on renovating the new CARP center for our young adults. This is a very extensive renovation, headed by Kristian Holdhus and assisted by many, especially Linako and Alisa. Thank you for working hard to prepare a great environment and home for our young adults!

# Sunday Sermons

This month, we kicked off a new series focused on our community vision. We hope everyone finds this series of messages valuable, as we re-focus on our vision for this church, why we exist, and what we are trying to create. If you missed any of them, you can find them all on our [Facebook page](#) and [Youtube channel](#). For quick reference, this month's recordings are below.
