

Colorado Family Church: May Local Highlights

Michael Hentrich
June 10, 2022

Dear family,

Welcome to the half-way point of the year! May was a really exciting month, and we want to give a special congratulations to all the graduates from this challenging school year. Please enjoy a summary of the activities from this past month.

Day Of All Things Celebration

This year we had a very simple 60th Day of All True Things celebration. We had a nice pledge service, breakfast, and offering table, and we were also blessed to have in attendance a number of members of Generation Peace Academy. As always, many people work hard to prepare for these days, and we are very grateful.

Concluding The First Semester Of Our New CARP Center

We had an end-of-the-semester meeting at the CARP Center with our team. It was a good opportunity to reconnect and make plans for the next year. Although this semester had many ups and downs, and there were many challenges, we are grateful for this year and look forward to improving and doing better next year.

Ongoing Interfaith Activities In Grand Junction

This month the topic of our Interreligious Sharing Series was, "The Value and Power of Prayer." Each faith representative gave their presentations based on the following questions:

*What is prayer?
In what ways do you pray?
What are your favorite prayers from your faith tradition?
Share a deep encounter with God or Jesus you have had through prayer.
How has prayer helped you in your life?*

The presenters and audience all teared up throughout the presentations. One could not help but cry when talking about God

and prayer.

Hosting The Heartland Academy Children's Business Fair

We had the blessing to host Heartland Academy's first annual Children's Business Fair. Young entrepreneurs from all over the Denver area and Heartland Academy came out to share their businesses. Thank you to everyone who supported. It was a big success despite the terrible weather. [See more photos...](#)

CONGRATULATIONS and PRAYER REQUESTS

Congratulations to Sam Suia for receiving 3rd place at the 2021 Cheon Il Guk Holy Song Composition

Contest for his original song, "True Love."

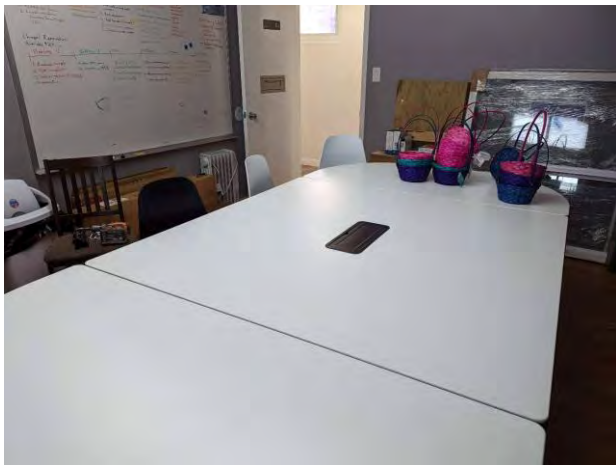

Congratulations to Christian Ngalame for graduating High School this year Summa Cum Laude. He will be attending Generation Peace Academy next year.

We also wish to welcome a new Canadian brother to our community. Arnold Stever has been Blessed to Mrs. Yun Soog Tennant of Colorado Springs, and he is now joining her and we are excited to welcome him to our community.

Continued Renovations And Improvements

This month we were finally able to finish the basement renovation and welcome Anton and John's fundraising team to live there. We also finally replaced the office window that was broken last summer and replaced our meeting table and chairs in the office.

Through the Sunday messages this month, we shared a variety of messages on a wide range of topics. If you missed any of them, you can find them all on our [Facebook page](#) and [Youtube channel](#). For quick reference, this month's recordings are below.
