July was a busy summer month with our Family Camp, lots of families travelling, a Seonghwa and very hot weather! We hope you've had a good summer yourself, and please enjoy the local updates below.

### Family Camp

From July 26–29, we held our annual Family Camp at Waunita Hot Springs Ranch.

This year was our biggest group yet, and we are excited that the camp will be continuing to host our group for the foreseeable future. [Here are a few photos to enjoy!](#)

## Ready to Blitz Music Video

You may remember the song “Ready to Blitz” that Elvis wrote and performed. Now we get to experience the song in a new way, with added accompaniment by Christian Ngalame and a music video produced by Masataka Asaoka with partial footage from One Heart Camp. Enjoy!

## Passing of Chuck Workman

On July 18, our brother Chuck Workman passed away. His Seonghwa and Wonjeon were held on July 25, with family and friends attending to pay their respects. [Here are some more photos from both.](#)

## Parents' Day Celebration

On July 28th our Campus Witnessing team organized a National Parents Day event at Domo restaurant. There were 21 participants, including the parents of students who are currently studying the Principle. Dr. Hentrich gave a talk about the meaning of Parents Day and the importance of parents. The food was donated by Domo owner Gaku Homma.

## Peace Cup 2024

The Los Angeles Family Church sponsored and organized the 2nd Annual Peace Cup event, and a number of our youth were able to attend. NBA Player Lamar Odon and Bishop Noel Jones attended as special guests and the whole event focused on building bridges of peace through sports. [See more photos.](#)

## Continued Renovations and Improvements

The church kitchen renovation has made a huge amount of progress with the new walls, paint, stainless steel backsplash, electrical adjustments, etc. David has also been working on fixing up bathroom tile and fixing tables in the dining room that needed to be tightened up. Dr. Hentrich did a huge amount of painting and touch up work at the YAMI house and also at one of the 4-plex units.

## Welcoming Newcomers

We are excited to welcome new additions to our community that have moved here from other places. First of all, Yun-A and Alexander Johansen have moved here from New Jersey with their three children: Henrik, Kevin, and Reuben. Yun-A will be working with our ministry team to develop and grow our family and couple care ministry. Below, we have Hiro Terada, originally from Detroit but living the last three years in Grand Junction, CO. He is joining our YAMI group. Lastly, Hide Nagayama spent some time in our community last year and is now officially joining our YAMI group now. He is coming from Oregon.

# Sunday Sermons

Through the Sunday services this month, we had messages on a variety of subjects that we hope were meaningful and inspirational. If you missed any of them, you can find them all on our [Facebook page](#) and [YouTube channel](#). For quick reference, this month's recordings are below.
