September 24, 2024

Apologies for the late August Highlights email. We don't have a lot of activities from this month to share. It was a hot month and the children all returned to school. We hope you enjoy the highlights below and look forward to Fall coming right around the corner.

### Beginning a New Chapter

In case you missed it, Pastor Mike & Adonia shared a special message on their return from their sabbatical. This included gratitude for everyone that enabled them to

take those two months off and their hopes for the next chapter of the Colorado Family Church.

## Ongoing Interfaith Work in Grand Junction

In August Antonio and Gale hosted a Bah'ai couple they have known for 4 years and who are a part of the Interreligious Sharing Series. They all enjoyed breakfast and good conversation in the open air. Later they gave them the Blessing and learned a bit about the Bah'ai tradition of marriage. It was fun being together and getting to know more about each other.

## 1 Year After Mark Vogenthaler's Passing

It has already been a year since the passing of our brother Mark Vogenthaler. This month, his family went to his burial site to pay their respects and remember their husband/father.

## Continued Renovations and Improvements

Dr. Hentrich and David Mahardy have been working hard at many different projects, small and big, around the church and other properties. A big project is working on getting the basement bathroom in the parsonage functional. A huge thank you to them for their ongoing efforts.

## Welcoming Newcomers

We are excited to welcome U. Mwambo to our YAMI house. She is from Malawi and is attending the University of Denver and is looking forward to being involved in our community.

Through the Sunday services this month, we had messages on a variety of subjects that we hope were meaningful and inspirational. If you missed any of them, you can find them all on our [Facebook page](#) and [YouTube channel](#). For quick reference, this month's recordings are below.
