

FFWPU DMV: Matching Education Program this Saturday 10am-12pm

Highmy Her
April 27, 2021

Dear Brothers and Sisters,

Capital HPHC Matching Education Program
Creating a culture that supports a joyful matching and Blessing starts with eliminating any anxiety and confusion surrounding the process AND educating everyone in the community on what resources are available and HOW they can support the matching process and beyond.

Whether you have children who will be going to the Blessing or not you are still an important part of creating the Blessing culture, preparing for the 30,000 single Blessing candidates.

Please RSVP so we can send you handouts to help you follow along and remember
