

REV. KIM YOUNG-HWI'S
U.K. SPECIAL EDUCATION LECTURE
22nd June, 2014

REFLECTION by ROSEMARIE HOYT

I find it hard to believe the amount of new energy, clarity, strength and optimism I feel.

No Worries

After attending this Special Education Lecture, all my problems, worries, stress and weariness have gone – GONE! Internally, externally – my mind & body, finances, health –Everything in every area of my life is improving. It is really quite a remarkable and unexpected blessing!

Renewed

After some difficult years, I feel renewed, uplifted and ready to move forward with a new sense of purpose, mission and confidence.

Whirlwind

For several days, I felt as if a whirlwind / tornado was all around me, and inside me – sweeping through my life. I felt as if I was being lifted up into the *air*, high above all the worries, stresses and struggles that had been weighing me down.

Living Water

I also had the experience of feeling as if I was being baptised – completely immersed, in a river of clear water.

In the next moment, I was standing under a fountain that was *gushing* with bright clean “living” water. I felt thirsty and then totally filled and refreshed. A feeling of youthful joy and of being born again welled up within me.

Seven Days ~ June 22ND –30th

When I reviewed my activity of the last seven days, I was surprised at how much I had been able to accomplish after receiving such grace:

For Example:

1. Organised a House Group Education Lecture for new members/ 7 day content graduates among my contacts and others
2. Organised a House Group Education WFWP Lecture for longstanding contacts, relatives and friends
3. Organised a weekly House Group Education Outreach Lecture for New Guests and contacts –
4. Completed organisation of local WFWP event
5. With my children, spring cleaned over half our house, windows, front/back gardens
6. Identified three new, “accessible” witnessing areas
7. Worked on new witnessing leaflet designs
8. Worked on Home group Invitations
9. New Meeting Planning
10. Counselling

Heaven Calling

But most precious of all these experiences has been the intense feeling deep within me, of being called and commissioned by Heaven to comfort Heavenly Parents Heart.

CONCLUSION

To this, my conclusion is the following:

With respect to True Parents ~ that:

1. True parents are completely one with Heavenly Parent.
2. True Parent experience Heavenly Parent’s sorrowful Heart as their own heart.
3. True Parents cannot live as they please, have an easy life, take a holiday or rest, whenever they want.

With respect to myself ~ that:

1. If I love Heavenly Parent & True Parents, my heart should be the same!
2. If I love Heavenly Parent & True Parents, I should respond with urgency to Heaven's call to Tribal Messiahship!
3. If I love Heavenly Parent & True Parents, I should pursue Vision 2020 vigorously!

Aju!

SPIRIT WORLD TESTIMONY

The first thing I noticed was a bright light, behind Rev Kim. It looked like the sun but with broad very bright, silver-white rays. I could see a star, behind Rev Kim's head and several inches above his head, was an oval shaped light.

The scene did not change until Rev Kim spoke about the spirit world. Then, I felt the atmosphere around me change and for a moment, It felt as if I was inside a huge bee-hive; conical- shaped and vast with many layers from top

to the bottom.

As I looked up and to my right, I saw True Mother. She sat composed and listening to Rev Kim. I could sense that True Mother was not just listening passively, but with the heart of a mother who attends her child's first recital – supporting Rev Kim and blessing him with grace and strength.

As I am accustomed to seeing True Parents surrounded by many people, I was surprised that, here True Mother appeared alone. I wondered about this and thought, in my mind, “Where are all the people?”

In the next scene, True Father appeared with True Mother. He was dressed in a beautiful, white suit – fit for a king! The materials were exquisite. The suit was a light type of material and one shade of white. The shirt was another shade of white and was made of a different material. The tie was a vibrant silver/white pattern. Everything around True Father felt light and bright. Even the clothes seemed to be “alive”.

True Father's body appeared strong like one of those super-strong, heavy weight wrestlers ~ and his spirit reminded me of a TIGER – stealthy, clever, swift, agile, formidable and strong!

The final scene appeared at the very end of Rev Kim's lecture.

True Father's face appeared almost as big as the stage. He was beaming – with a huge smile across His face

As the speech came to a close, True Father's face grew bigger and BIGGER until it EXPLODED into the room – much like one of those big fireworks that rise up and then explode with colour.

True Father's face rose ~ grew and “exploded” with **BLESSING & JOY!**
