

## Young Adults Jazz Bar Christmas Party

Matthew Huish  
November 29, 2018

It's that time of the year! You're invited to our Jazz themed Christmas Party for Young Adults. The schedule will include live music, a couple of fun activities and plenty of chance to mingle. We will have an array of American/Christmassy food to match the party theme and a mocktail bar on top of that.

The ballroom will be decorated as you've never seen it before to match the glamour of the formal dress code, and there will be a lovely photo-booth. Most importantly, it will be a great opportunity to spend time altogether as quite a broad age group which will hopefully feel a lot closer during the night as we celebrate Christmas!

As part of the festive spirit we would like to ask that everyone brings a gift for the homeless, which we will collect and pass on. More gift suggestions for this will follow shortly. You will not be disappointed, and this whole evening is coming to you at just £12 per person (crazy bargain) – we hope to see you there!

Doors open 6.30pm for 7pm when food will be served.

We are trying to organise payment in advance – more details to follow!

Dress code: formal with an optional jazz twist
