Dear,

We would like to ask you and all members to participate in a **National 40-day condition of prayer and devotion** to prepare for the CheonBo workshop taking place over 23-24 November in Greenford Hall, London.

The condition will begin on **Monday 14th October** and will conclude on **Friday 22nd June**.

The purpose of the prayer condition is:

1. To pray for a transformational experience for all the workshop participants leading to their spiritual purification
2. To pray for the preparation of ancestors who will be liberated and blessed

3. To pray for the mobilisation of the Holy Spirit to create a loving and healing environment
4. To pray for the success of all the practical preparations

Additionally, if you are planning to liberate your ancestors you will need to offer a 21-day period of 50 bows or breakfast fasting as one of the conditions to liberate your ancestors (the other condition is the donation).

We'd like to encourage you to offer this 21-day period of devotion concurrently during the 40-day prayer condition, at a time of your own choosing, but starting no later than **Friday 1st November**.

Sincerely,

Matthew & Natasha Huish
