Matthew Huish
October 11, 2019

Join us on Saturday 2nd of November to see how Cranes Club can support you on your way to a fulfilling and successful career.

Our community is a precious resource, not only in terms of our lives of faith and spiritual goals, but equality when it comes to our career and enterprise aspirations.

We are privileged to share this community with hundreds of talented, experienced and like-minded individuals, with the potential for that to be a stepping stone towards our goals, whether this is

through networking, mentoring or sharing experiences and ideas.

Perhaps you have an idea of what you want to accomplish but lack the capital? Cranes Club offers grants each year at our Annual General Meeting in order to help enterprises kick-start their ventures, or take their projects to the next level. For more information on this grant, come along to the event.
