

**Proclamation of the Word that firmly establishes
the True Parents of Heaven, Earth and Humankind**

The Completion of True Parents' Responsibility

Hyung Jin Nim to 21 Day Workshop in Yeosu December 15th 2010

**The Purpose of Creation = True Parents
God is seeking His Homeland = True Parents**

We are seeking their Original Homeland = TPs of Heaven Earth and Humankind

God's purpose for creating is to find His true object partner with whom he can engage in the give and take of love.

Adam and Eve were supposed to become those object partners – the True Parents – God is in pursuit of True Parents – from them comes the true family, tribe, people, nation and world.

The core of the Principle and centre of world peace is True Parents.

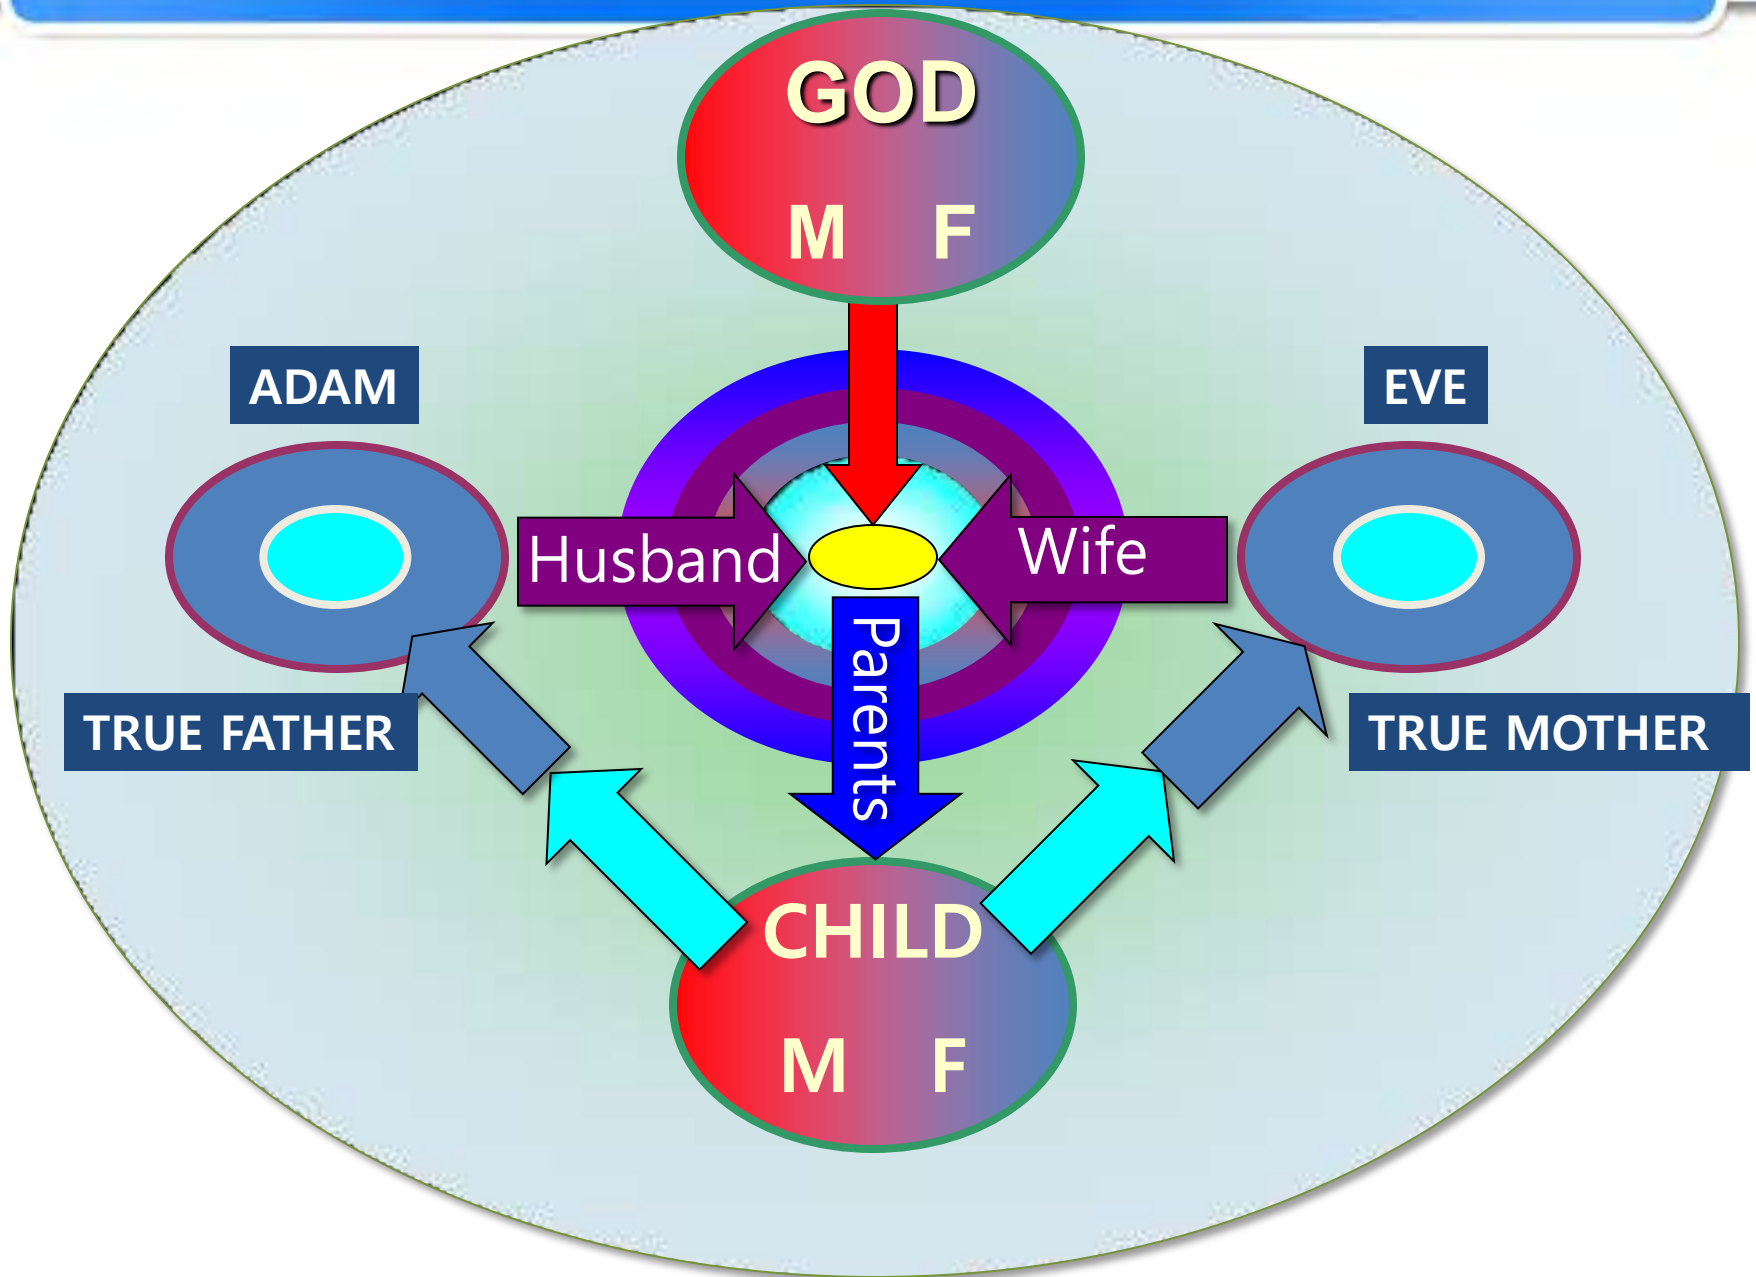

True peace is not a horizontal peace .

Eternal peace of the kind God is seeking is vertical peace, peace while in relationship with True Parents, who are the incarnation, and peace within the relationship between God and man.

Only when humankind is connected with the True Parents will true peace, true Families, tribes, peoples, nations and world emerge. Aju!
