

FFWPU Subregion 4 Mother of Peace Reading Condition: June 15th - July 24th

John Jackson
June 12, 2020

Dear Families of Subregion 4,

We would like to invite you to participate in a 40-day reading condition of True Mother's Book: Mother of Peace.

The 40-day condition will begin on Monday, June 15th, and end on Friday, July 24th.

The purpose of this condition is to bring our Subregion closer to the heart of True Parents. The lifestyle and words of True Parents have the power to transform our hearts, minds, and actions.

This will be an open condition where you can read as much and for as long as you want each day.

You could read True Mother's book with a group or perhaps within your families, but most of all we want to create a condition in our Subregion where we are all reading this precious book for 40 days together.

If you have already been reading by yourself or with a group, feel free to continue reading and join the 40 days of reading with our Subregion. You can also contact your local pastor to find out about any existing reading groups that you can join.

If you do not have a copy of True Mother's memoir yet, you can purchase them here:
hsabooks.com/products/mother-of-peace-a-memoir-by-hak-ja-han-moon

And you can still join in a group with someone who does have a book so you can listen and follow along.

This is a wonderful opportunity to learn more about True Parents than we ever have before. Reading True Mother's book is like sitting by the fireside with True Mother as she recounts key moments and memories from her life and the lessons she learned.

Thank you so much, let's offer this condition together as filial sons and daughters.

God bless you and your families,

Rev. John Jackson
President SW Subregion
