

East Coast Clergy to Rally in Atlantic City to Bring Down the Walls

Michael Jenkins
October 13, 2011

Bally's Hotel and Casino in Atlantic City will be the venue of an extraordinary four-day theology study.

Clergy of various churches have been called by the American Clergy Leadership Conference (ACLC) for an unusual four-day study session at Atlantic City, New Jersey beginning, Sunday, Oct 16, 2011. Rev. Michael Jenkins, ACLC Chairman, recently sent a letter over his name and five of the core leaders of the ecumenical group based in Washington, D.C. A similar four-day event is scheduled for clergy on the West Coast at the South Point Hotel in Las Vegas, beginning on the evening of Oct. 21, 2011. In the following excerpt of the letter, reprinted courtesy of the ACLC, Biblical parallels are cited to explain the context of these extraordinary assemblies of religious leaders.

Dear ACLC Clergy and the 172 Pastors who registered for the Kingdom,

In Korea last month, we received a special mission to become one with Jesus and establish our own twelve disciples or representatives that can become a part of our family and tribe. We are asking you, as the 172 pastors as well as 120 core faith leaders of ACLC (10 per ACLC district who could not go to Korea) to each bring twelve that we might create a body of 3,000. Father Moon shared that 3,000 will be raised up with a special anointing to transform the family, the community and the world.

The number 3,000 represents the 3,000 years from King David to today – the time of Jesus' promised return. This mission will allow the fruits and blessings of God's preparation during the last three thousand years to be inherited by 3,000 clergy, empowering them to transform our marriages and families, our communities and the world through the love of God. Those who went to Korea and Las Vegas saw the miraculous and uplifting spirit of God manifested. We could feel we were truly becoming one through the Holy Spirit with our Korean families and that racial, religious and denominational barriers were no longer a deterrent to unity and harmony.

As we gather the 3,000, let us be reminded of what happened at the time of Pentecost as described by Peter in Acts 2:41: "Then they that gladly received his word were baptized: and the same day there were added unto them about three thousand souls." Your twelve are prepared by God that you may truly stand as Jesus' representative in the last days. On that foundation, the 3,000 will be called to move with the Holy Spirit to unify the body of Christ, bless families and call for God to heal our land (2 Chronicles 7:14).

In Mark 1: 17:18 Jesus said, “Come ye after me, and I will make you to become fishers of men. And straightway they forsook their nets, and followed him.” The mission spirit of the 172 pastors who went to Korea for the *Registration in God’s Kingdom and Fatherland* is no less than the disciples who dropped their nets to respond to the call of the Lord. These clergy, as well as the ACLC Co-Chairs and core pastors, have felt a special call through this historic mission. In a little over one week, 172 pastors put aside all schedules to come to Korea for fifteen days from September 10th-23rd. When they were asked to stay longer in Korea, twelve were chosen to represent the 172. They joined Father Moon on the very rough seas around Go Mun Do Island to fish and pray. Through that course, we became “fishers of men.”

Then on September 29th, twelve responded to Father Moon’s call to come to Las Vegas, where they fished on the calm waters of Lake Mead. Once again, the pastors stood as fishers of men as prayers were offered that each fish the pastors caught would represent millions who are set to come forth to bless marriages and families, save America and heal this world.

A depiction of the Pentecost, above. Many of the 172 ministers who toured Korea in September said they felt like they were re-living the days of the Pentecost phenomenon of the early Church.

Suddenly, while the twelve stood in Las Vegas, Father Moon gave the call on October 4th at the 5:00 a.m. prayer session that 1,000 or more must gather in 24 hours. The 172 Faith Leaders sprang into action along with our Unification families, and at 7:00 PM on October 5th, 1,200 guests assembled at the Rio Hotel in Las Vegas and heard the urgent message of Father Moon. Then a “Pentecost” occurred in which families of Korea in the East were combined with families of every race and denomination from the West through Korean surnames to become one family as we registered into the Kingdom of God and Fatherland.

Father Moon repeated his call issued on September 12th that each of the 172 must gather twelve from the clergy they know, as well as from the anointed people of faith from their churches and families, to stand for the Lord. He has also called for Ambassadors for Peace of the Universal Peace Federation, the women leaders of the Women’s Federation for World Peace and youth from CARP to join in.

In response to Father Moon’s call, we will conduct a series of special programs each week for the next 40 days. With this prayerful letter, we call the 172 pastors that went to Korea to join with 120 core ACLC pastors to each bring a total of twelve to one or more of these programs during the 40-day period from October 14th to November 22nd. With this effort, 3,000 anointed will be established.

The first program is:

Sunday, **October 16th** at 7:00 PM through mid-afternoon on Wednesday, **October 19th** at Bally’s Atlantic City, 1900 Pacific Avenue, Atlantic City, NJ, www.ballysac.com. Dinner on your own for the 16th; meals will be covered from Monday breakfast through Wednesday lunch.

At these programs, we will conduct sessions on the Principles in the Bible through the Original Divine Principle, as well as hold practical workshops on how to bless the married couples in your church and how to make your members strong in the love of God.

Please register for this historic mission to build our twelve disciples following the footsteps of Jesus and to create 3,000 by finding those twelve that are closest to your heart. You can bring twelve to one conference or several guests to multiple conferences. There is no limit to the number of leaders you can bring. We ask that you find a minimum of twelve. Attached is a simple invitational letter that you can sign and use to invite twelve others to come with you.

We are raising funds to make the costs as low as possible. Because of that effort, your twelve representatives are being asked to make a love offering of \$200 per person for this historic experience on the Ocean at one of America's finest resort locations. Please call upon your members at your next Sunday service to take a special collection to raise funds to help register your own twelve disciples. Registration will be done through your local ACLC representatives as we did for Korea.

As 3,000 gather in faith to receive the Word, the blessing of every family will be secured for the 300,000,000 in America and expand to the entire world. It will create a movement of God's love that will inspire Heaven's elect to come into one accord and shout out and witness so that the divisions of humanity – from divisions of denominations, faiths, and races to the walls dividing North and South Korea – come tumbling down.

Sincerely,

Rev. Michael Jenkins
