American Leadership Conference

Discovering a New Paradigm to Address Our Critical Challenges

Dear Brothers and Sisters,

You are cordially invited to attend the American Leadership Conference (ALC) Series: Discovering a New Paradigm to Address Our Critical Challenges, to be held on February 29, 2020, 2:00 – 6:00 pm, at 4 West 43rd Street, New York, NY 10036. The conference is co-sponsored by the Universal Peace Federation – USA (UPF), and Family Federation for World Peace and Unification (FFWPU).

In this time of rapid change, social disruption, global inter-connectedness, pervasive media, and divisive politics – our community, the nation's and world's values, cultures and traditions are being meshed, challenged, uprooted, and redefined. You may share a growing awareness among leaders throughout America that we need a new paradigm through which to view, understand and resolve the critical challenges of our time. And we need to do this together, as one nation.

Our country and world are going through a critical moment in history. We must stand on a moral and principled worldview that offers strong and clear, yet compassionate leadership. Our aim is to secure peace and prosperity not only for America, but for all nations that are willing to move into a new era of mutual respect, cooperation and shared responsibility for future generations. We hold that America is in the central role at this time to lead the way to a better future.

The American Leadership Conference will explore the following core topics: 1. Principles and best practices of true leadership, character and governance; 2. Marriage and family as our essential resource.

Keynote address will be presented by Dr. Michael Jenkins, President, UPF-International. Presenters include: Dr. Luonne Rouse, Sr. Pastor, FFWPU and President, American Clergy Leadership Conference; and Ricardo de Sena, Advisor and former President, UPF-USA. Conference participants will include distinguished leaders from the New York tri-state area.

The ALC online registration fee is: \$15; early-bird registration is: \$10 (registration fee discount is available until February 17th); or \$20 at the door.
