Michael Jenkins  
August 29, 2025

**What Next After the Trump-Lee Summit?**

**New challenges on the Korean Peninsula**

**TUESDAY, SEPTEMBER 2 AT 2 PM ET**

The Washington Brief presents an in-depth discussion of the Trump-Lee summit, the subjects discussed, and the decisions taken, along with those outstanding issues that could prove troublesome for the alliance. And, of course, the likelihood that Kim Jong Un, after confabbing with Chinese, Russian, and Iranian presidents in Beijing on September 3 at a military parade marking the 80th anniversary of the end of World War II, would be receptive to resuming a dialogue with President Trump and, possibly even with President Lee Jae Myung.

Join guest panelist **Mr. Robert Manning**, distinguished fellow at the Stimson Center; **Amb. Joe DeTrani**, former special envoy to the six-party talks and **Dr. Alexandre Mansourov**, professor at the Center for Security Studies at Georgetown.
