Dear Parents and Participants,

This Saturday, October 20th, Up & Coming will be going to NYC to attend the Peace Roads 2018 World Tour: Bridging Cultures for Peace. Please see the attached pdf document for more details on the program.

The event starts at 1 PM, however, we will be going to the New Yorker in the morning, 9 AM, for the ACLC Prayer Breakfast. Sub-regional leader, Demian Dunkley, invited Up & Coming to attend to have a holy spirit experience with our Christian brothers and sisters. I know that this may be a challenge for some of us to get there that early, but I strongly encourage everyone to attend. It will be a unique and valuable experience for the youth. After this event we will continue to Central Park for the rest of the Peace Roads event (schedule is in the pdf document attached).

Transportation to the city:

For those of us that don't live in NYC, we were able to get a school bus that will take us from Belvedere to the New Yorker Hotel and then back to Belvedere after the event. If you want to take the bus from Belvedere please arrive NO LATER THAN 7:10 AM. The bus leaves at 7:30 AM sharp, and we cannot wait for anybody that arrives late. We plan to arrive back at Belvedere by 6 PM where you can pick up your kids.

If you already live in the city, then you can meet us at the New Yorker Hotel at 9 AM.

Food:

Breakfast and lunch will be provided to all participants (for free).

Fee:

There is no fee for the event, but if you would like to rent a bike the bike rental is \$14. In order to rent a bike, you must bring a photo ID.

Attire:

For the Prayer Breakfast please wear long pants, no sweatpants, jeans are fine. If you have a Peace Starts With Me t-shirt, please wear it. If not, we will give you one. (We recommend bringing a sweater for cold weather)

Age Range:

7th grade and up. **6th grade may come if supervised by a parent.**

Parents are welcome to attend as well.

**If you are planning to take the bus with us to the city, please let me know so I can reserve you a spot. Otherwise, bus spots will be given based on a first come, first serve basis.

Please contact me with any questions or concerns.

Thank you,

Peace Road

Introduction to Peace Road project. "An International Highway Connecting the World through Peace."

Peace Road project was proposed at the International Conference on the Unity of the Sciences on November 10, 1981 in Seoul, South Korea by the late Rev. Dr. Sun Myung Moon and Dr. Hak Ja Han Moon who advocated the International Peace Highway Project. Through the project the world can be connected as one and the walls between races, cultures, religions, and nations can be broken down. So, that a peaceful global village with the entire humanity as one great family can be constructed to actually unite the world as one by building a highway connecting the separated continents first and able to exchange and cooperate with one another more freely and quickly. The world will become one peaceful community.

We practice the vision for one human family by transcending nations and race, and uniting centered on love. It is our hope that Peace Road will open a beautiful era of peace for future generations.

Peace Road, a global peace project in which all participants run for a single goal, world peace.
