After the Leadership Conference in Jardim, Brazil, the 7 countries of subregion 3 of South America joined together centering on regional president, Rev. Kim to establishing goals for a 40-day miraculous witnessing and blessing.

On April 21, 2024, the FFWPU Subregion 3 of South America in unity with True Mother, held a special Sunday service at the Subregion level to start this 40-day witnessing.

536 members attended online through Zoom from their churches, including Bolivia 271 members, Peru 114 members, Ecuador 40 members, Colombia 65 members, Venezuela 23 members and Suriname 23 members.

The formula Course that each member must follow was explained in detail to come to live with our Heavenly Father in the Original world that he created and that by the grace of our True Parents we can find our Janulpumonim in the Cheon Shim Won. This is also how the education system that we must use to teach our guests and fulfill the restoration of 1/3 of our nation was explained.

Each of the presidents shared their message to encourage members to join this course of miracles of testimony as well as their determination together with their members to fulfill the goals established by each nation being their offering of devotion to our True Mother.

Likewise, Continental President Rev. David Dong Woo Kim sent his message to the blessed families, inviting them to join True Mother and bring Janulpumonim to live on earth alongside all humanity.

We sincerely long to be children of filial piety, to fulfill our part of the responsibility, and to find the righteous people of this time for the joy of our Janulpumonim, our True Parents of heaven, earth, and all humanity.
