5th Heavenly USA Hyojeong Cheonshim Cheonbo Spiritual 40-Day Workshop

Last week, we received education from Ryuichi Kishimoto to experience the heart of the Cheonshim Won songs, Dr. Andrew Compton on Divine Principle, Margaret Repke on the Heart Revolution, and Dr. Minji Kim on the Epic of the Korean Han People. On Saturday, we had Deborah Harris come and help the 40 day workshop to create new songs.

5th Spiritual Workshop Testimony!

Sejin Ahn - Korean Academy

I would like to share my reflections from this past week and my heart regarding my Father and Cheonshim Won.

Last Saturday, while everyone attended the sports festival, I was unwell and stayed alone in Cheonshim Won for about two hours. I prayed, rested, and quietly gazed at the Holy Portraits. During that time, I was also struggling emotionally, questioning myself and feeling guilt, especially after hearing that my father back home had been weak and struggling.

Last year, my father suddenly collapsed from severe chest pain and was taken to the hospital. He had already lived a very difficult life—separated from his parents as a child, growing up working in another household, and later sacrificing his life for our family and my medical treatments. Seeing him in the ICU, I cried because I felt I had done nothing for him and had been unfilial.

Remembering all of this brought me deep sorrow, and I went to Cheonshim Won and prayed alone. For the first time in a long while, I prayed honestly for myself and poured out everything in my heart. As I prayed, my headache cleared, my heart felt lighter, and I felt peace, warmth, and comfort—as if I were embraced by True Parents.

Later, I heard that my father regained his strength the next day.

Through this experience, I understood why Cheonshim Won is called Mother's womb. When I poured out everything in prayer, I felt comforted and embraced by Mother's love. Once again, I realized that when we pray earnestly, our Parents listen to our prayers.

Lastly, I would like to express my deepest gratitude to Heavenly Parent, True Parents, and especially Holy Mother Han for the grace of Cheonshim Won. I will strive to always live for Heavenly Parent and True Parents.

Thank you.

What is Cheonshim Won?

(from the Chambumo Ron)

On October 10, 2020, True Mother gave Jeongshim Won (情心苑, Garden of Heart and Emotion), the prayer hall at the training center, a new name, christening it “**Cheonshim Won**” (天心苑, **Garden of Heaven’s Heart**). Establishing Cheonshim Won as a providential organization, she designated it as a place to nurture second- and third-generation spiritual leaders for Cheon Il Guk.

I have brought the third generation forward to establish the tradition of the providence. While I am on earth, I will create all environments to be free-flowing, like running water. I will plan and develop Cheonshim Won as a place to cultivate talented individuals as pure water who can communicate with the pure and clean heart of Heaven.

Cheonshim Won is the worldwide headquarters for jeongseong (devotions). It is the main sanctuary for jeongseong in Cheon Il Guk, the main headquarters for the spiritual providence, and the center for developing the spirituality of Cheon Il Guk leaders and blessed families. **Cheonshim Won is a place where blessed families can resonate with the heart of Heaven.**

When we are on the same frequency as Heavenly Parent and True Parents’ hearts, we experience resonance with them. **When we achieve resonance in unity with Heavenly Parent and True Parents, we can hear their voices.** Therefore, prayer is not a monologue but resonance with Heavenly Parent and True Parents’ heart. ...
