

## True Mother: Heavenly Parent works miracles when we forgive and love our enemies

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Parents and Heung Jin Nim:

True Father: "When you become a person who creates a heartistic relation even with your enemies you can restore history and be resurrected." [1]

In the long course of history people hated their enemies. They certainly did not try to be a blessing to them, but rather tried to take revenge. And that created even more hatred. And all this hatred did not just disappear. Eventually that hatred went into the spiritual world from where it has a bad effect on people on earth. It creates more hatred on earth, thus increasing the conflicts here.

All this can only be turned around by a love that can love even enemies, that can melt their hatred and even turn it into love. Only true love, love that can love even enemies, is able to do this:

True Father: "God-centered love alone shall dominate the entire universe, and even control God, who is so vulnerable to love. God-centered love alone can unite the world. No matter how difficult it may be, no matter how severely divided it [the world] may be, the world can become one under the banner of such love." [2]

Only God-centered love, a love that can love enemies, can unite the world, can build God's Kingdom:

True Father: "All the difficult problems in the world now can be fundamentally solved only through the perfection of true love." [3]

And we are the ones that are requested to develop our hearts to such levels of love. We are the ones who are supposed to perfect true love:

True Father: "We must find the original heart. That is more crucial than anything. If we focus on the heart we can go beyond anything in the world. If we don't go this way, everything will be burned [lost]". [4]

True Mother: "As we work toward opening of the Cheon Il Guk era, you must be able to find the perfected, original mind while carrying out your own responsibilities." [5]

Finding our original mind, original heart, means to develop our heart to the level of perfection or maturity. It needs conscious training to do that. It needs own desire. It requires own initiative:

True Father: "I never want to feel that you are just following my instructions but rather that you have really perfected yourself in the image of God on your own initiative." [6]

True Father: "Even with God fulfilling His 95-percent responsibility for the perfection of human beings, you still have to fulfill your 5 percent. God does not make an individual perfect. You must complete your responsibility to achieve perfection." [7]

It is indeed our responsibility to reach perfection, but that is not all. More than that, it is a huge blessing! Reaching perfection of heart and love means to become embodiments of God. It means to become the people who can love the way God does, and that means who can love even their enemies, who can love good and bad alike, without expecting anything in return.

Learning to love like that brings about our own resurrection of heart. It brings us into true life. And the universe will protect us:

True Father: "On the way of the Will, no matter where you go, if you have the bone marrow of love, heaven and earth will protect you." [8]

Only if we can love enemies, we have the "bone marrow of love." By developing such a bone marrow, we will never be the losers:

True Father: "Seek to become that master of love. Program your life like that, and you will never be a loser." [9]

Walking the path of God-like love is the path that leads straight forward, without any going in circles:

True Father: "When God calls out to people, "Come directly to Me!" He is speaking of the path of true love. The path of true love is the shortest and most direct route. It leads you straight ahead. There is no zigzagging." [10]

By loving the way God does, by loving even our enemies, we can bring about great miracles in our lives:

True Mother: "In 1991, my husband and I were filled with emotion as we passed the very site of that prison [of Heung Nam] while we were travelling to meet Kim Il Sung at the Presidential Palace at Hamhung. It was through this meeting that we laid the cornerstone for renewed efforts for the reunification of North and South Korea. I was reminded once again that our Heavenly Parent works miracles when we forgive and love our enemies." [11]

By loving those that are in the hell of resentment and hatred, we create heaven:

True Father: "The Heavenly person loves the people in hell, and when we practice that, that is Heaven."

Wherever True Parents go, they create Heaven, because they love the people "in hell". And we can do the same:

Heung Jin Nim: "Everywhere you go, you must create the Kingdom of Heaven just as our Father does. I will be with you. The whole spirit world will be with you. The Kingdom of Heaven is in you, and you must let it out." [12]

By training ourselves to become able to love like God, to love good and bad alike, including enemies, we are certainly creating the Kingdom of Heaven.

Love from Bruno
