

## True Father: The more you do as a channel of God's love, the more you inherit

Anyonghaseyo, dear brothers and sisters!

Here again an inspiration, based on the words of True Father and Heung Jin Nim:

True Father: "The more you do as a channel of God's love, the more you will inherit." [1]

To be a perfect channel of God's love, we need to love the way God does, True Parents do and Jesus does:

True Father: "True love is giving and forgetting and still wanting to give.... Jesus Christ came to the earth and said, "Love your enemy!" That means he forgot what he gave. He even forgot his enemies. He only remembered to give love. Forgetting his enemies and only wanting to love is the image of the ideal human, which the whole cosmos is longing for. Jesus Christ came with this heart, that is why he was the son of God." [2]

And we have the exact same destination, to become sons and daughters of God with the heart of God, the heart of True Parents, the heart of Jesus. We are called to become the sons and daughters of God who want to love for the sake of loving, without end, no matter whom, friends as well as enemies, thus establishing the tradition of true love on this earth. Seeing such sons and daughters of God-like love emerge, will really and deeply inspire God, more than anything else:

True Father: "Only one promise can inspire God: "I have decided to be a sacrifice in order to establish the TRADITION OF YOUR LOVE. I have been trying to live for others. All I want to do is continue living this way." Then God will reply: "Oh, I understand you well. You have accomplished the principles of loyalty, filial piety and fidelity." Otherwise you have no true pride before God, even though you work hard witnessing and fundraising." [3]

People who strive to love the way God does, constantly reaching higher and higher levels of heart and love, are the ones who create the Kingdom of God, the world of the heart, the Kingdom of love:

True Father: "You are born as the princes and princesses of love. You must become kings and queens of love and create the kingdom of love. That is God's ideal and that is the true purpose for your being born. Human dignity and value is that great. We were born for the perfection of love. Do you follow?" [4]

The more our heart and love grow, the more we come to the point that God wants to give us the crown of glory:

True Father: "We must ask ourselves, "What kind of being am I?" We are divine princes and princesses with cosmic value who are meant to find the crown of glory at the end of our lives, inheriting all of creation and the entire universe." [5]

To get there we need to strive to reach higher and higher levels of love every day:

Heung Jin Nim: "Brothers and sisters, don't be satisfied with the level that you're at. Please reach out every day for a new level." [6]

Heung Jin Nim and Jesus want to help us with that, but we have to ask them:

Heung Jin Nim: "Just ask, just ask from the bottom of your hearts and it'll be given... Invite us [Heung Jin Nim and Jesus] to come and help you." [6]

We need to ask them as well as True Father to teach us love, to guide us to higher and higher levels of love.

Love from Bruno
