

## The Garden of Eden can open up to us! True Father

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father:

True Father: "The desire of human beings to possess the entire universe is not a wrong one. It is given to us by God. The problem is that people simply do not understand how to achieve it in the right way.

The only way to achieve that ambition is by uniting with the love of God, fulfilling one's own love. The universe is nothing but the manifestation of the love of God; thus it automatically becomes one with you, once you are one with God." [1]

The more we "unite with the love of God", the more we can achieve our ambitions. The question is what it means to unite with God's love:

True Father: "We should not rest until we possess all that belongs to God. To do this we need to resonate with God's heart. Then, motivated by God's heart, we can embrace everything in the universe, and Satan cannot claim us. Then, finally, heavenly fortune can move for us, the blessings of heaven and earth can dwell with us, and the garden of Eden can open to us." [2]

To unite with the love of God means to resonate with God's heart, with His love, with His way of loving. It means to learn to love as God does. That is also the meaning of "fulfilling our own love".

The more we resonate with the heart of God, the more heavenly fortune will move for us:

True Father: "That is why a person who owns love can own the universe. Happiness overflows in the person who has love. That person can achieve success in every area of life." [3]

The love that Father is talking about here, is of course the love of God's quality of love. We all should and most certainly CAN reach that level of love and thus receive the crown of glory and inherit the entire universe:

True Father: "We are divine princes and princesses with cosmic value who are meant to find the crown of glory at the end of our lives, inheriting all of creation and the entire universe." [4]

To get there we need to live in "the image of God". That is our first goal in life:

True Father: "Living in the image of God means having God's words becoming your words and God's love become your love. That is your first goal." [5]

How can God's love become our love?

True Father: "If you are ready to receive nothing in return then you become like God, because God is always giving out love with His whole being, getting nothing in return. That's the point where godliness starts." [6]

True Father: "God's love does not say, "You must first of all love ME." God's love says, "I will first of all love YOU." [7]

By investing our love and heart into the people of the world, good and bad alike, not expecting anything in return, we become God-like people, we inherit the universe and receive the Crown of Glory. That is what we are here for.

It is highly recommendable to always ask True Father, Heung Jin Nim and Jesus to teach us true love so that we can become experts of heavenly love just as they are. That should not be underestimated!

Love from Bruno
