

## True Father: Unless you become a king / queen of heart you cannot be a king / queen of power

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and Sun Jin Nim:

True Father: "Become an authority of the problem of heart. You have to be able to make others feel as if they were children embraced in the bosom of their parent when they are consulting you." [1]

True Father wants us to develop the heart of True Parents in ourselves. Such a heart embraces everyone, no matter if good or bad. It loves unconditionally and unchangingly. It expects no reward. It wants to embrace and uplift everyone.

Developing such a heart makes us able to move the heart of people. It moves God's heart. It gives us real authority, an authority that nobody can take away from us. Such an authority is as unchanging as true love is unchanging. It is natural authority, not based on money, power,

position or force, but on true love. This is the real authority:

True Father: "Unless you become a king/queen of heart you cannot be a king/queen of power." [1]

Many people in history have tried to exercise authority over others, but not based on true love, rather on power and force. This authority was forced upon people. It was no real authority, because people supported it out of fear, but certainly not out of love. Only authority based on a heart of true love is true authority, that God can approve of, and that people want to support, out of their own desire. True authority comes from true love alone.

God's Kingdom is the world of true authority. All authority will be based on love. Those who have more love in their heart, have more authority. Authority comes naturally with love. We all have to become authorities of heart and love. That is our destination:

Sun Jin Nim: "True Father set the standard of true love, a standard we are called to embody." [2]

True Parents have set that standard. They have inherited this standard from God. They became the authorities of heart and love. We have to do the same. We have to inherit the authority of heaven and earth by developing the heart of God in ourselves, inheriting God's heart fully:

True Father: "Only the person who possesses the love of God can have the privilege of inheriting the authority of heaven and earth, which were created by God." [3]

Again, true authority is based on love alone:

True Father: "Only families that can love all human beings as their own spouses and as their own parents, and serve them as their own sons and daughters, can inherit the Kingdom of Heaven. This is amazing. The right to inherit all the power and authority of heaven and earth created by God lies here." [4]

Only those who inherit the heart of God, becoming able to love all human beings the way God does, are the real inheritors of God's Kingdom. They are the ones who build the Kingdom of love and heart. The Kingdom of God can only come based on heart and love. Nothing else will bring it about:

True Father: "His (the Messiah's) method of saving this world will not be through worldly means and statistics, but will be a way centering on God's true love. That kind of person is indeed the Messiah. From this sort of person the true love movement will spread throughout the world." [5]

We are so blessed that we can be part of this true love movement by making all effort to inherit the heart of God, by relentlessly advancing in heart and love, establishing the highest standard of love in ourselves, as Father explains:

True Father: "Live for the sake of others. Invest yourself with true love and forget what you have invested. Practice this and you will perfect yourself as the owner of love. You will gain the authority of a subject in relating to others, and they will willingly submit to you in response." [6]

They will do so because they will be moved by us in their heart. They will WANT to support us wherever they can. They will recognize our natural authority, based on heart. That is indeed amazing!

Love from Bruno
