

## True Father: We all need to practice the true love that liberates us to love our enemies

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim:

Heung Jin Nim: "Try to love those whom you do not want to love, through service and prayer, and your heart will open more and God will be guiding you what to do." [1]

By doing this our heart will grow fast, and we become more and more aligned with God's quality of love. Then indeed God will become more and more visible in our life because we are becoming like Him:

True Father: "Once you reach the divine mind within you and come back out to the world, you will find that God is already before you; thus nothing will be able to disconnect you or overcome you." [2]

And we become the people of God's hope:

True Father: "People who change their character to fit the way of Heaven are the true people of God's hope. We all need to practice the true love that liberates us to love our enemies, become true persons who properly understand the spirit world, become true parents and establish true families. This personal transformation is the starting point of the world of peace." [3]

Such personal transformation will indeed be liberating. It will liberate us from resentments and fallen nature. It will bring God into our life. It will establish the tradition of God and True Parents, wherever we go:

True Father: "Wherever we sow true love by forgiving and embracing our enemies, trees of goodness will grow. This is the law of the universe, and it never fails.

We find humanity's true homeland, the homeland of the true God, through the path of loving our enemies. This path begins with loving our individual enemies and extends to loving our family's enemies, our tribe's enemies, our nation's enemies and the world's enemies. This is how we establish the tradition of true love, true life and true lineage." [4]

Loving our "enemies" includes to never allow any resentments to creep up or stay in our heart, no matter

how people treated us, no matter what they do or did, to us or others. Moreover, we need to develop the heart that is ready and willing to embrace, respect and love those people, knowing that this is our strongest weapon through which we can have a tremendous impact, on ourselves, on others and on God's providence.

We must learn to swallow the worst accusations and then respond with heart, embrace, forgiveness and respect. As we do that, our true selves will emerge. And we will be able to build God's Kingdom:

True Mother: "You must divest yourselves of the traits that hold you back, and allow your new selves, your true selves to emerge, so that you can become the heroes who will build the future." [5]

We can all perfect our love to the level that we can embrace, respect and love everyone, even enemies. We can all perfect our love as True Parents and Jesus did:

Sun Jin Nim: "If we are to inherit anything from True Parents, let it be the true love that they perfected." [6]

We can do this even faster if we never stop asking True Father, Jesus and Heung Jin Nim to help us in this extremely important process.

Love from Bruno
