

**Heung Jin Nim: Your capacity to love is far greater than you know, far greater than you dream!**

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim:

True Father: "You have now received the holy Blessing from the True Parents.... You have inherited the true lineage, and you have received the seed of true love. Please never forget that you are to spend the remainder of your life on earth nurturing this seed so that it will blossom and bear fruit." [1]

The Blessing is not the end of our life's journey. It is our destination to substantialize the Blessing, by making constant effort to become Kings and Queens of true love, just as True Parents are. We have to nurture the seed of true love and make it blossom:

True Father: "In order to save the world through a movement of true love, you yourselves must first of all become substantial beings of love." [2]

Without us striving to become substantial beings of love, the world cannot be saved. The ideal world, the Kingdom of God, can only emerge, if more and more people perfect their heart, their love, thus reaching God's quality of love, the love of the highest quality.

The ideal of world of God's design is the world, where everyone perfects his or her love. It is a world where there is true love everywhere, at any time. It is a world without conflicts and struggles. It is the world where true love is the core of everyone's life. Everyone follows the logic of love, just as God does.

To establish such a world we not only need to get blessed:

Sun Jin Nim: "Just because someone joins, works as a missionary, and gets blessed and has a family, it doesn't mean that perfection is readily achieved. Is any great achievement easily achieved? No, it takes practice, practice, practice. We must apply the Principle with sincerity in every single conscious moment of our lives, as individuals and as families. Only in this way, can we function at a world-class level." [3]

God's love is certainly at world-class level, as is True Parents' and Jesus' love. It is our job to strive towards that same level:

True Mother: "The citizens of Cheon Il Guk are each called to strive each day to become a True Parent, a True Teacher and a True Owner." [4]

That requires that we do not put ourselves down, but rather see the divine potential in our heart. This potential is what we need to actualize and bring to blossom. That is our most important job in life:

Sun Jin Nim: "I believe in the divine parental heart that lives in you!" [5]

This heart is in all of us, more or less developed. We need to develop it all the time. Our potential is unlimited:

Heung Jin Nim: "Your capacity to love is far greater than you know, far greater than you dream." [6]

God and True Parents as well as Jesus and Heung Jin Nim want us to use our unlimited capacities of heart. If we ask them, they will help us to develop our heartistic potential. And of course, we have to make all the effort to make smaller and bigger victories of true love every day. Then we will notice ourselves growing and blossoming. That is the true life that God wants us to live. That is our destination, that is the purpose for which we were created:

Sun Jin Nim: "Whatever you focus on becomes your reality, if your heart and passion are centered in true love; by going this way you will bring happiness to yourself and all your loved ones." [7]
