collapse. They will start to be attracted. In this way true love will conquer evil until the whole world is totally liberated.

Particularly the members of the Unification Church are requested to be like those roots, constantly training themselves to practice God's level of love. They should be the very spearhead of the true love of God. They should be everywhere be recognized, first and foremost by their level of love. They should embrace all kinds of people, hostile, resentful, arrogant or friendly, just as God does. They should not worry about being respected or loved, but they should always simply respect and love others, no matter what, just the way God does:

True Father: "God's love does not say, "You must first of all love ME!" God's love says, "I will first of all love YOU!" [3]

If we just expect others to respect and love us, thinking we are entitled to, we might quickly get resentful if they do not treat us this way. Then we might start to blame and accuse others. That is certainly not God's way of love. He would just keep embracing anyone, no matter if they respect or not:

True Father: "Many people accuse God, saying, "Look, God! Look at how evil that person is and how

Anyonghaseyo, dear brothers and sisters!

Here again an inspiration, based on the words of True Father:

True Father: "The people who have His [God's] love receive a great welcome wherever they go. This is the reason people willingly and wholeheartedly follow Unification Church members wherever they are." [1]

The true love of God is what everyone, even animals and plants, are yearning for. And those who practice such a level of love, divine love, will certainly attract other people by their heart and their quality of love. Of course, they will be welcomed everywhere, by all kinds of people:

True Father: "If you just think of and love others with your whole heart, even the minds of evil people will turn toward you." [2]

People might resist true love in the beginning, thinking it is not genuine. But the moment they notice that they are embraced, respected and loved no matter what, then the resistance will start to

unworthy he is of Your love!" Yet, God replies, "Is that so? Well, I will still embrace him [her]." That is the nature of our God, our Father. We have to ask ourselves a question: how much do we resemble God, our Father?" [4]

That is indeed the most decisive question. Everything depends on how we can answer this question. We may do great works, but if we do not make any effort to love those that resent or hate us, but instead get resentful with them, then we are not in line with God and True Parents at all. Then we are not following True Parents' most basic tradition and teaching:

True Father: "No matter how difficult it may be, you should inherit our True Parents' TRADITION to be patient and OVERCOME WITH TRUE LOVE. You cannot harbor any hatred or grudge. There is NO WAY you can, because God and True Parents have not done that. You should EXACTLY FOLLOW TRUE PARENTS' FOOTSTEPS... I am telling you this is the way to go. This is my MOST IMPORTANT TEACHING..." [5]

If we follow True Parents' profound tradition of true love, we will be participating in the true love revolution:

True Father: "Please recognize that it is time to accomplish a true love revolution of overwhelming proportions..." [6]

Those proportions will only be overwhelming, if we make effort to love the way God does, and certainly nothing less. Then we are indeed heading for the crown of glory. There is no one who cannot achieve such a crown, the most precious crown of all.
