Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "The more you practice the way of life of God, the more you resemble God, the more you become God-like. When you live God's way of life, you will emerge as a leader in your own world. You will become the central figure, just as God is the central figure of the entire universe." [1]

To resemble God is our first and foremost responsibility. True Parents and Jesus are resembling God, but we, too, are requested to do so. We have the potential of heart to resemble God, and that is the biggest blessing God has given us. We can become like God when we embody true love:

True Father: "Therefore, to become God's children, our first responsibility is to resemble God. We need to embody true love." [2]

How do we come to embody true love? We have to exercise our heart constantly and consciously:

True Father: "Have you come to resemble God and True Parents, as Gods sons and daughters?...Whether sleeping or awake, it should always be on your mind. This thought has to accompany you wherever you go, whatever you do, even when you are eating or sleeping." [3]

In whatever situation we may be in, our focus must always be to a blessing to other people, in one way or another. The more we invest love in this way, the more we advance in heart:

True Father: " Heaven's true love is such that the more it is invested the more it grows. We must come to resemble God in this way. Even if our love is rejected, we should continue to love even more.... Our Heavenly Father walked such a path, and the Parents of Heaven and Earth walked such a path." [4]

And we have to walk exactly the same path. If our love is rejected that should certainly not stop our love. Exercising our heart in this way, we come to resemble God more and more, who is ready to embrace even the most evil people:

True Father: "Many people accuse God, saying, "Look, God! Look at how evil that person is and how unworthy he is of Your love!" Yet, God replies, "Is that so? Well, I will still embrace him." That is the nature of our God, our Father. We have to ask ourselves a question: how much do we resemble God, our Father?" [5]

The more we resemble God, the more God will rejoice:

True Father: "Then what is the point of resemblance over which God rejoices the most? More than omnipresence, omnipotence or uniqueness, He is most joyful when we resemble Him in love. Love is where we most [should] resemble God. Thus, although we may lose everything, if we resemble His love, everything will follow us wherever we go." [6]

And God will shed tears of happiness because of us resembling Him in love:

True Mother: "When you really come to feel God's heart, how could you possibly seek revenge? When you come to know God's heart, you want to help your enemy instead. Only then can you focus on love, which is the great road of the law of nature, and can you travel that great road which embraces all as one. Only then will heaven and earth move in unison, and will God shed tears. He will be delighted because you resemble Him." [7]

And our life will be fulfilled. We will be joyful and happy people:

True Father: "Once the heart of God dwells within you, no matter how lonely you may be, you will be filled and the universe will be filled. A person who is completely filled is a joyful person because he/she lacks nothing." [8]
