

True Father: Invest yourself with true love and forget what you have invested

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim:

Heung Jin Nim: "It is your job to go forward, and this is not just an external responsibility; it is not just obedience to Father's latest project. It is going forward in your hearts...." [1]

Our real job is to go forward in heart and love so that we become people in the image of God That is our most important goal:

True Father: "Living in the image of God means having God's words becoming your words and God's love become your love. That is your first goal." [2]

If we do not advance in heart, then we lose power. We will burn out:

Heung Jin Nim: "Exercise the heart in your actual practice, actual loving, actual reaching out. That's needed because if you just remain in your head, sooner or later you lose power. You become just a drudging-ahead member with dogged faith and determination, but dead...." [3]

We may work hard, doing many activities, read and pray a lot, but all this does not automatically bring our love to higher levels. This is only possible by focusing on investing heart and love into people, unconditionally, so that we become owners of love:

True Father: "Invest yourself with true love and forget what you have invested. Practice this and you will perfect yourself as the owner of love." [4]

True Mother: "No result can come without a process taking place, and the process of perfection is based upon the practice of true love." [5]

Sun Jin Nim: "By initiating the action and motion of true love in all aspects of our lives with compassion, empathy, service, forgiveness, and living for the sake of others, we each have the possibility to resemble our Heavenly Parent." [6]

Heung Jin Nim asks us to "reach into ourselves". It means nothing but to develop our heart and love, instead of just focusing on external or routine things:

Heung Jin Nim: "So you've been very stubborn and determined in the past, and not giving up in terms of your responsibilities. But now you need to make a determined effort, ten times that determined, in terms

of reaching into yourselves." [1]

The Kingdom of God does not come from hard work or strong determination. It comes from loving the way God does. It comes from us advancing in heart, day by day, becoming people who resemble God:

True Father: "What is heaven? Heaven starts by loving another human being the way God does." [7]

How do we love the way God does?

True Father: "I want you to be always humble, kind, loving and understanding of others, even though the person visiting [meeting] you may be a cross or evil person -- even unforgivably evil." [8] To become people in the image of God, is a pioneering path. We ourselves need to find out the fastest way in the circumstances we are in. We should not lose precious time:

True Father: "Stoppage of growth is equivalent to death. Who shall make you grow, who shall nurture you? You yourself will help yourself grow. You must grow every day." [9]

Heung Jin Nim: "Do not waste time. Use time wisely. Your days on earth are surely numbered. Do you want to stay at the same level for the rest of your life?... Use every second you have. When that second has ticked by, you have to be able to say you have grown a bit more." [10]

Growth of heart and love do not come automatically. Heung Jin Nim, too, had to walk his own pioneering path:

Heung Jin Nim: "Do you think that I understand the Divine Principle simply because I am in the lineage of True Parents? No, I made my own effort 24 hours a day to understand and to live it." [10]

Certainly True Father, True Mother and Jesus had their own pioneering path of heartistic growth as well. They want us to follow in their footsteps:

True Father: "You must go and find the way to true love. I am the forerunner along this way...

This is a path which you have to go all by yourself. It is an internal path..." [11]

It is the path of paths:

True Father: "To pioneer heavenly heart is the path of those who walk the path of paths." [12]

It is a pioneering path, but still we can have massive help along the way, if we ask True Father, Heung Jin Nim and Jesus to guide us and teach us true love. They will help us to transform our heart. They will help us to develop the heavenly heart.
