

## True Father: Love is the pinnacle of hope for the human race

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and Heung Jin Nim [in the spiritual world]:

True Father: "God wants His partners of love to be better than Himself. His beloved partners are none other than us, human beings." [1]

We are created to be the love partners of God. Because of the fall, the heart of human beings became corrupted. Instead of becoming God's love partners, in the full image of God, we inherited Satan's lineage, the lineage soaked with fallen nature.

Since the fall we were not able to reach our destiny. We cannot even imagine what we are created for. We cannot imagine that each one of us was created to become king and queen of true love, eternal love partner of the eternal God:

True Father: "You are born as the princes and princesses of love. You must become kings and queens of love and create the kingdom of love. That is God's ideal and that is the true purpose for your being born. Human dignity and value is that great. We were born for the perfection of love. Do you follow?" [2]

The perfection of love is our true destiny, not living with fallen nature, creating conflict and war, killing and hating each other. Certainly we are not supposed to live in slavery, under any evil dominion, far away from being who we are supposed to be. We are to live as kings and queens of true love, not as slaves of the devil, almost praying to him, believing all his lies, following his evil ways of selfishness:

Heung Jin Nim: "Satan is not yet fully afraid of you. He still can hang around you a lot... Yes, we've been almost praying to him and believing everything that he said. His motivation is wrong. His heart is wrong. His words are wrong. It's because we still give so much of ourselves to him in our identity. We don't stand up and say, "I'm the Son of God! I'm the Daughter of God!" [3]

People in this world do not know what their true identity is. Either they deny God's existence and think they are simply matter, or they think we are slaves or servants of God, while God is watching us from the distance, not affected by the miserable situation of humankind.

Hardly anyone would think that we were created to be God's eternal love partners, to be even better than

God, when it comes to love.

Our True Parents have made clear, and still do it, what our role and destination is. It is to be the true sons and daughters of God. And what this means is that our love has to at least reach the level of God's own love. We cannot be true love partners of God, if our level of love is below the level of God's love, let alone if we are still soaked with resentment and other fallen nature, not being able to love and embrace people the way God does.

We have to realize who we are supposed to be, true children of God, and then advance in heart, so that we become true children in substance, not just in theory. In our life we have to make love blossom:

True Father: "We are called to make love blossom. Love is the foundation of happiness for all people. That is why if we open the world of true love, everything else we want is guaranteed." [4]

We can make love blossom by learning to love everyone, including those who do not like or hate us. That kind of love has immense power, and it can make us into who we are created to be:

True Father: "The power of true love is great. True love can melt even the hardest substance. It is more fearful than a clenched fist. Love can conquer any place in a flash, no matter how far and wide. Nothing is strong enough to withstand the power of love. True love can melt even our enemy. We want to become the owners of the world based on love. Love is the pinnacle of hope for the human race." [5]

With such love we can rise above Satan's evil dominion and become true children of God, that Satan cannot dominate anymore:

True Father: "When you become a man [woman] of perfection, Satan is powerless to influence you." [6]

We need to realize that the perfection of true love is not just a silly dream. It is our destiny, and we have the potential to make it happen. This is God's and True Parents' greatest hope.

Love from Bruno
