Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "You will never fail when you invest true love. The amount of true love you invest will multiply and develop. The more you set the power of true love in motion, the greater it will grow so that you can embrace the world, the universe and even God." [1]

True love is the key for the establishment of the world of the heart. It is the greatest power. We need to use this power to establish God's Kingdom.

The power of true love is immense, and without using this power we do not get very far. True love is the power that can make a real difference in this world:

True Father: "If you put yourself in the position of God or Jesus -- trusting persons while they betray you, loving persons when they don't deserve it, wanting to live and care for those persons while they are not qualified -- the world will change." [2]

True Father: "When people oppose me, I take the attitude that they do so because I could not carry out what I wanted to do and give them more love. Because I could not achieve what I had pledged -- to love people before God -- and because I could not prepare the right position for them they persecute me so loudly.. But I love them even though I am persecuted. When I do this, the world changes. " [3]

True Mother: "In the end, the problems afflicting humanity can only be resolved through the logic of love and the understanding that we are all one family under God. This is the teaching of true love with God at the center that my husband and I, as the True Parents, received from Heaven. We have championed and taught this precious truth throughout our lives. This ideal represents the path that will lead humanity to a world of everlasting peace and happiness." [4]

We need to become people who live according to the logic of love. Then even such things like the unification of Korea will be achieved:

True Father: "Once we develop our hearts of love, North -- South -- Unification will be no problem at all." [5]

Our hearts have to grow and develop. That is the key point:

True Father: "Who shall make you grow, who shall nurture you? You yourself will help yourself grow. You must grow every day." [6]

If we grow in heart and love is entirely up to us. Nobody can do it for us. We have to take the initiative, we have to nurture the desire to grow. Then we become people who can more and more resonate with the heart of God and True Parents. Then we can become unstoppable.

Love from Bruno
