Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim [in the spiritual world]:

Heung Jin Nim: "Please, understand. Love is the way, heart is the way." [1]

The ideal world of the heart, that God designed, can only come, if more and more people strive to become people of deep heart and love in the image of God:

Heung Jin Nim: "Please become people of deep love, the love of Jesus, the love of True Parents!" [2]

We cannot be satisfied with the level we are at, but must strive for higher levels of love every day:

Heung Jin Nim: "Brothers and sisters, don't be satisfied with the level that you are at. Please reach out every day for a new level." [3]

Heung Jin Nim wants to help us to reach higher and higher levels of heart. We have to call him, so that he can be with us and help us to transform our heart:

Heung Jin Nim: "As I can be with you... you can think as Heung Jin Nim thinks, and feel as Heung Jin Nim feels, and then all of a sudden you realize that you are in new territory and on a new level. And you have advanced. And suddenly you feel that something has changed in your heart... By [me] speaking in your hearts you can begin to think and feel as I think and feel, and you can act as Father would act." [4]

That certainly applies to True Father and Jesus as well. We have to call them, make a relationship with them:

Heung Jin Nim: "You must pull true life into your own heart. You must pull me down. You must pull

Jesus down. You must pull the heavens down around you and into your heart... You must, for the time being, ask constantly for my spirit to come, for Jesus' spirit to come and be with you." [5]

If we do that, that will help us greatly to become the people who can love the way God does. We can then resonate with Heaven and create God's homeland:

True Mother: "Our original mind needs to resonate with Heaven and then the culture of heart will be realized." [6]

True Father: "What is the starting-point for realizing God's ideal nation? What is the starting-point for recovering the original homeland? It will start from individuals who live by the philosophy of loving their enemies." [7]

This is how powerful true love is:

True Father: "With true love alone can God fulfill His own ideals and purpose... True love is so powerful and wonderful that once you have the hope of acquiring it for yourself nothing else really matters to you. The taste of true love gives you the power and determination to pursue it further." [8]

Once on the path of true love, we will not want go any other path.. And everyone can do. It is the destination of all of us.
