

## Heung Jin Nim [in the spiritual world]: What heaven are you going to?

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

True Father: "Let us completely establish the kingdom of heaven on earth and in heaven through absolute love, unique love, unchanging love and eternal love and seek to live for the sake of others, and offer heavenly kingship to God." [1]

God's world of heart and love can only be established through true love. True love is the essence of the ideal world of God's design, and therefore only through the perfection of true love can that world come about.

Where then is the starting point of the ideal world?

True Father: "God's Will is to eradicate selfishness from each individual, then transform or re-create that person into His own temple, and make all people holy. For this reason true peace between nations begins not at the national level but with the perfection of the individual. Each person, by becoming the temple of God, is [being] perfected. This is where world peace is germinated. Each one of you, ladies and gentlemen, is the true beginning point of world peace." [2]

Each one of us is the beginning point for the ideal world:

Sun Jin Nim: "

She [True Mother] is calling upon all of us to arise as champions of peace, to become manifestations of Heavenly Parent's love and truth so that together we can usher in a new world of lasting peace and prosperity for the whole human family and creation." [3]

Our own perfection is not just done by God:

True Father: " Even with God fulfilling His 95-percent responsibility for the perfection of human beings, you still have to fulfill your 5 percent. God does not make an individual perfect. You must complete your responsibility to achieve perfection." [4]

Perfection means perfection of love. This is not something only for a few people. We all can perfect our love.. That is our destiny. We all have the potential, and we better do not waste it:

True Father: " Once you decide to live in the position of goodness, you should grow toward perfection every day." [5]

We have to liberate ourselves from limited thinking about ourselves, from putting ourselves down, thinking we are not qualified or whatever:

Heung Jin Nim: "

Many of you have a concept about yourself which is so limited. So limited! You say, "Well, I don't know about this, I'm not that type of person, I'm not spiritual, I'm not a heartistic type of person." But, what do you think heaven is? It is the realm of heart. And if you don't relate with that, then where are you going to go? To the intellectual heaven? To the instinctual heaven?

What heaven are you going to? It is the heaven of heart and there is only one. You and your spouse, you and your family, and you are charged with leading that family. So if you have such a concept about yourself, what about your spouse? What about your family? What about the people you influence day by day? Where are you going to take them?

That's why, really, I want to kick you, and make you realize that there is a new realm that is open, and that the time of growth is here.

It's not the kind of person you always thought you were; something new has opened, and you can be a person you never even imagined." [6]

Indeed, we can become the shining examples of love and heart in this world, wherever we go:

True Father: "The Unification Church's philosophy and conviction are connected to the center of the universe – the heart of God. We shall become the shining examples of that love and heart." [7]

We all are supposed to do that. And we all can certainly do it. We only have to realize how important that is and then make it our first priority.

Love from Bruno
