Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

True Mother: "Let us become true owners of Cheon Il Guk [Kingdom of God] who practice true love in resemblance to our Creator, the Heavenly Parent!" [1]

To become a true owner of Cheon Il Guk, we need a true heart, a heart that loves the way God does. To develop such a heart is our first goal in life:

True Father: "Living in the image of God means having God's words becoming your words and God's love become your love. That is your first goal." [2]

To grow in heart and love, we need to exercise our heart in all the encounters with people:

Heung Jin Nim: "Exercise the heart in your actual practice, actual loving, actual reaching out. That is needed because if you just remain in your head, sooner or later you lose power...." [3]

We need to be aware, when our fallen nature tries to take over. The fallen nature has many faces, for example arrogance, judgementalism, resentment, hatred, anger, impatience, jealousy and many more. We need to replace all this with true love. Then our fallen nature disappears:

True Father: "When fruits start to be borne, flowers and leaves drop off. Similarly, when divinity grows in your heart, all your shortcomings will fall away." [4]

We need to constantly make sure that divinity grows in our heart:

True Father: "Once you decide to live in the position of goodness, you should grow toward perfection every day." [5]

Sun Jin Nim: "Just because someone joins, works as a missionary, and gets blessed and has a family, it

doesn't mean that perfection is readily achieved. Is any great achievement easily achieved? No, it takes practice, practice, practice."[6]

We need to have our heartistic growth at the forefront of our mind. We have to watch ourselves all the time. Especially we need to spot our own fallen nature, that often is so hidden, that we do not even notice it. Other people might see it and tell us, but we might be sure that we are alright, justifying our fallen behaviour, maybe even blaming those that make us aware of our fallen nature.

The fallen nature is very good at justifying itself, telling us that our attitude and behaviour has nothing to do with fallen nature. In this way we might be fooling ourselves and blocking our own growth of heart.

Therefore we need to be very honest with ourselves and root out the fallen nature at deeper and deeper levels, instead of trying to spot the fallen nature of others and then blame them.

Last not least we can and should always ask True Father, Heung Jin Nim and Jesus for education of heart. That will help us to advance much faster.

They are the experts, can come to us from the spiritual world and can help us to become true owners of Cheon Il Guk, even to become True Parents. We all have the potential for that.

Love from Bruno
