

True Father: As I set foot in Pyongyang, my heart was as clear as autumn sky

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "Even though I was indignant when I was being stomped on, kicked and tortured by communist interrogators, I never prayed, "Heavenly Father, strike these enemies with a thunderbolt and slaughter them all." Although my body was bleeding, I was praying for them to receive blessing." [1]

This is very much in line with Jesus' prayer on the cross, where He asked God to forgive his murderers.

Forgiving and loving those that hate us, is what brings God on the scene. It is very powerful:

True Father: "The greatest of all statements made by Jesus Christ was, "Love your enemy." The power of that statement can conquer the world." [2]

Through the fall, mankind inherited the nature of the fallen Archangel. This very fallen nature is the problem. It prevents people from seeing each other as children of God. It prevents people from loving unconditionally. It prevents people from loving the enemy.

The fallen nature is the nature of resentment, of arrogance, of hatred, of revenge. People want peace, but their fallen nature prevents peace and happiness.

Therefore, in order for God's ideal to come, human beings first have to revolutionize themselves. This revolution starts in our heart, by transforming ourselves from selfishness to unselfishness, from false love to true love, from hating the enemy to forgiving and loving the enemy. Without this revolution within our hearts, world peace is only a dream.

Who can start such a revolution of heart? How can true love be restored?

True Father: "The Fall of humankind meant the loss of true love. Consequently, Jesus came as the king of true love in order to restore the love Adam and Eve lost. By the same token, the Lord of the Second Advent is coming in order to restore true love." [3]

Jesus practiced the true love of God, but could not create a new lineage, God's lineage, as the root of the

ideal world. Since he could not create his own family, the new lineage could not begin. Based on the fallen lineage of death, fallen nature continued. True love was not restored. The world suffered from conflict and war even after Jesus' death on the cross.

The Lord of the Second Advent came and, together with his wife, the True Mother, established and establish God's lineage on this earth, through the marriage blessing. Everyone can become part of the new lineage, the lineage of life and true love.

Being part of the new lineage is just the beginning. Then we need to learn to practice true love, loving the enemy, just as True Parents did and do. Then not only ourselves will change to the better, but the whole world will come to God's side. Even the worst conflicts in the world will come to an end, based on the power of true love, love that forgives and loves the enemy:

True Father: "The person who loves his or her enemies will march in the vanguard and carry the flag of the most exalted prince/princess. How noble that person is! He or she can leap over national and racial boundaries. On the day you live with a heart to love your enemies, all barriers will fall, the history of the providence of restoration will be shortened, and heaven will come near. My philosophy is that simple." [4]

The unification of Korea and the whole world will come about based on loving the enemy. True Parents created a spiritual earthquake by going to North Korea in the spirit of loving the enemy:

True Father: "As I set foot in Pyongyang, my heart was as clear as the autumn sky. I did not feel that I was entering the house of my enemy, rather that I was returning to my hometown, to visit the house of my brother. I carried with me to North Korea the principle by which I have always lived, that is, to forgive, love and unite." [5]

The more we come to understand the heart of God, the more we become able to love those that do not like us or even hate us:

True Mother: "When you really come to feel God's heart, how could you possibly seek revenge? When you come to know God's heart, you want to help your enemy instead. Only then can you focus on love, which is the great road of the law of nature, and can you travel that great road which embraces all as one. Only then will heaven and earth move in unison, and will God shed tears. He will be delighted because you resemble Him." [6]
