Anyonghaseyo, dear brothers and sisters!

Happy New Year!

Here again some inspiration, based on the words of True Father, True Mother and Jesus:

True Father: "When your standard of heart is the same as God's, all problems will be solved." [1]

Some may think that it is not possible to reach such a standard of heart. God's ideal world, however, is the world where everyone reaches that standard without fail. Such a world was God's plan from the start, and this plan is being realized in front of our eyes.

God sent Jesus and True Parents, not for them to be the only ones forever who reach God's standard of heart. That would be far from God's ideal. It is more than certain, that God does not want Jesus and True Parents to be the only ones with His standard. We all were created to make God's heart our own. We all have that potential, and we all can bring this potential to fruition, because True Parents emerged and

conducted and conduct the Holy Blessing, and even we ourselves can pass this Blessing on to other people.

Through this Blessing the gates for the perfection of heart are wide open, and we are requested to go for this perfection of heart, instead of thinking we are sinners forever, who need to beg for forgiveness for all eternity. That is certainly not the goal of salvation, but that all mankind reaches the level of God's love and becomes True Parents themselves. Anything less is unimaginable. God wants the best, and the best is that we all reach His level of heart and love, and nothing less than that. Before all of humankind gets there, salvation is not over. When all mankind is one with God's heart, God's dream is fulfilled.

By ourselves striving to reach perfection of heart and love, we contribute to God's ideal world, and also by us passing the Blessing on to the people of the world, so that all can be liberated from Satan's bondage and become true sons and daughters of God, not just in name, but also in substance and heart.

True Mother: "It is God's wish and dream (for you) to become humankind's visible True Parents." [2]

Jesus: " Do you realize no one else on earth could ever fulfill these things? You are being charged with something that nobody else has done. You must become True Parents. Yes, you must become True Parents. This is our Father's desire. Not that you follow him blindly as sheep, but that you take up his cross and you become True Parents. Yes, you have your youth, you have your vigor, you have your physical bodies. You can do what I could not even do. You can become True Parents." [3]

Taking up the cross means to make God's true love and God's dream our own. Everyone can do that. And we all can ask True Father, Jesus and Heung Jin Nim to help us with that. They will certainly assist us most joyfully and effectively.

Love from Bruno
