Anyonghaseyo, dear brothers and sisters,

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim [in the spiritual world]:

True Father: "The mission of restored man [woman] is to demonstrate a higher quality of love than ever existed in the satanic world." [1]

The difference between the fallen world and the ideal world is the quality of love. God's love is unconditional, and it never changes. It never gives up. It keeps loving, even the enemy. True Parents have always demonstrated such a quality of love:

Heung Jin Nim: "Open up your hearts and really embrace each person and don't let anything hold you back from loving the people. That's how my Father lives. He just loves everybody, even the people that hate him, even the people that attack him, even the people who hurt him. My Father just keeps loving them..." [2]

True Father: "The True Father and True Mother have committed their lives for the sake of their mission, for embracing the enemy world." [3]

True Mother: "My husband and I have forgiven the unforgivable and, for the sake of humanity, loved enemies unlovable..." [4]

Such is the quality of love in the Kingdom of God, the world of peace and love. Such love is everywhere and any time in the ideal world of God's design. We are requested to build the Kingdom of God by being pioneers of such a love, walking in True Parents' footsteps, developing our quality of love day by day:

True Father: "No matter how difficult it may be, you should inherit our True Parents' tradition to be patient and OVERCOME WITH TRUE LOVE. You cannot harbor any hatred or grudge. There is no way you can, because God and True Parents have not done that. You should exactly follow True Parents' footsteps... I am telling you this is the way to go. This is my MOST IMPORTANT TEACHING to you today on this Day of Victory of Love." [5]

We all can become pioneers of the new world of the heart, by raising our standard of love day by day, in all encounters with people. We all have the potential to develop our heart and love. The more we do that, the more God will be on our side and big blessings are bound to come:

True Mother: "No matter how unjust the persecution we receive, we do not blame anyone, rather we love them. When we overcame ordeals in this manner, blessings that we could not even imagine took place." [4]
