

True Mother: Please be the heroes of this noble task!

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "If you can regard all people as your parents, siblings or children, then when you look upon the many who are suffering in this world of death, you will be unable to relate with them without tears. When you look at your siblings, or younger people, you will feel a strong sense of responsibility to take care of them, and with tears you will make every effort to do so. If you truly become such a person, like God, then the kingdom of heaven on earth will be built around you." [1]

The closer our heart gets to the heart of God and True Parents, the more we see everyone as a precious child of God. Then we can feel God's love for the people of the world in our own heart. Differences of

nationality, culture, religion etc will not matter to us anymore, because they do not matter to God. To get to that level we need to grow in heart. We have to develop a true character, based on true love:

True Mother: "Once we become people of true character, we will come to feel that every person is our parent, sibling or child, and we will want to treat them as such." [2]

We will not even see enemies, where others do. We can even love those "enemies", no matter how they behave. We will embrace them and pray for them no matter what. We will bless them:

True Father: "As in the example of Jesus Christ, we must not hate our enemies or hate the power [of Satan] coming from the opposition group, ... but we must be compassionate toward the people ... We must not try to repel their power or deny them but be compassionate to them and try to win their hearts. So somebody may spit at you, maybe someone will hit you, but you must smile at them and bless them." [3]

Training ourselves to become such people, is the way to create one world wide family with God in the heart of everyone. We call it the Kingdom of God. It is the world without borders, without divisions, without conflict.

This world is just around the corner, because everything is prepared by God:

True Mother: "Please be the heroes of this noble task -- one unified world of peace is really not so far away. By practicing true love and living for the sake of others we build the heavenly kingdom on earth." [4]

This fallen world will change very fast into God's Kingdom if we act in line with God and True Parents. Therefore we need to train and challenge our heart and love in everyday life and ask True Father, Heung Jin Nim and Jesus to help us with that. We need to bless many people with the Holy Blessing. We need to ask True Father, Heung Jin Nim and Jesus as well as all the absolute good spirits in the spiritual world to come to the earth and bring about the greatest positive changes the world has ever seen, like for example the rapid peaceful unification of the Korean Peninsula, and even greater miracles.

We need to be aware that help from the spiritual world can come much more easily if we ask for it. That will open the gates for heavenly power to come down on this earth.

Love from Bruno
