Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of [True Father, True Mother and Sun Jin Nim:

True Father: "I pray that they [the Unification members] can be protected on all sides by the shield of love, and learn to walk the path of tradition as they march toward the Kingdom of Heaven and become the representatives of heavenly love." [1]

The tradition we are supposed to spread is the tradition of true love, of heavenly love:

True Father: "The greatest treasure you can give to the nation and the world is true love. The tradition of love is the core of life. [2]

True Father: "You are the very group of people who are going to set the new tradition of love centered upon God rather than on the self. You are going to bring purity of love to the world. You will sacrifice anything and everything in order to build that new tradition of love, as a way of life." [3]

Building that tradition of true love, we become like bright sparks in the dark world:

True Father: "I humbly pray that you can bless them [the Unification members] to be the lights in the world of darkness, shining like the brightest suns, brave and strong like victorious generals ... " [4]

True Mother: "You must become someone who shines a light, not only in this nation, not only in Asia, but throughout the world." [5]

The more we become people like that, the more will we be protected by the shield of love. And we will be welcomed by many people, in many places:

True Father: "The bearer of true love is welcome even at the White House. The essence of your mission is to create this tradition of love and expand it to your posterity." [2]

True Father: "Once you have planted this tradition and disseminated this love throughout the world, when you are lifted up to the spirit world, you will encounter no barriers and will be welcomed everywhere." [2]

As we manifest the tradition of heavenly love, we are about to create the beautiful world of heart and love:

Sun Jin Nim: " She [True Mother] is calling upon all of us to arise as champions of peace, to become manifestations of Heavenly Parent's love and truth so that together we can usher in a new world of lasting peace and prosperity for the whole human family and creation." [6]
