

True Father: How can you say that a person is valuable?

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and Sun Jin Nim:

True Father: "How can you say that a person is valuable? Only by seeing the quality of his/her love." [1]

Our human value comes from the fact that we were all created by God as His beloved children. We all have the same value and also the same God-given potential of love in our heart.

But the question is, how much we develop and nurture this potential of love, how much we bring it to fruition. The more we do this, the more we increase our value in the sight of God, the more we can express God to other people, and the more God can work through us and the more we attract God's blessing in our life.

Increasing our ability to love is vital. Our love needs to more and more resonate with the heart and love of God. God's level of heart and love is the standard, is our main goal in life. That means, to increase our

ability to love depends pretty much on our relationship with God. It depends on how much we understand the heart and love of God for the world and for each individual, and how much we inherit this heart, make it our own.

Love is not just doing something for someone else. It is about having the right heart and attitude to people, in line with God's heart and desire. Based on our relationship with God we need to develop and nurture that heart and attitude. Everything we do for others should come from such a heart, and should be in line with God's desire. That makes it much more likely that we do for another person what God wants us to do.

In conclusion, we are challenged to become manifestations and embodiments of God's love in this world:

Sun Jin Nim: "She [True Mother] is calling upon all of us to arise as champions of peace, to become manifestations of Heavenly Parent's love and truth so that together we can usher in a new world of lasting peace and prosperity for the whole human family and creation." [2]

As we become manifestations of God's love, problems will be solved, based on that:

True Father: "When your standard of heart is the same as God's, all problems will be solved." [3]

Not only Jesus and True Parents should be able to say that who sees them sees God. Each one of us is requested to get to that level, too. Then we have the highest value imaginable. Then we are living a true life.

Love from Bruno
