Anyonghaseyo, dear brothers and sisters!

Here again an inspiration, based on the words of True Father and Heung Jin Nim [in the spiritual world]:

Heung Jin Nim: "Everywhere you go, you must create the Kingdom of Heaven just as our Father does. I will be with you. The whole spirit world will be with you. The Kingdom of Heaven is in you, and you must let it out." [1]

The Kingdom of Heaven is the world where true love is everywhere at any time. This kind of world does not fall from the sky, but has to be created by us human beings. And it can only be created if more and more people practice a love that gets closer and closer to God's level of love, a love that is unconditional and unceasing, a love that is given to all and not to just a few, a love that knows no boundaries.

If we practice true love we are creating the Kingdom of Heaven in our own hearts and we become a blessing to other people. We become substantial beings of love who can save this world:

True Father: " In order to save the world through a movement of true love, you yourselves must first of all become substantial beings of love. You are to blossom proudly, becoming like fireworks of love." [2]

In order to become substantial beings of love we need to make sure that our heart resonates with the heart of God and True Parents. This cannot be done in a day, but by constant practice of true love we can get closer and closer to that level:

True Mother: "Our original mind needs to resonate with Heaven and then the culture of heart will be realized." [3]

For God's ideal world to come about it stands to reason that all people of the world have to become True Parents in substance:

True Mother: "It is God's wish and dream (for you) to become humankind's visible True Parents." [4]

This is our eternal destiny, and we all have the potential. True Parents have opened and are still opening the gates through the Blessing, and we all can become people who fulfill the purpose of creation, people that we never thought we could become. We all can become the people of the Kingdom of Heaven:

True Father: "What is the Kingdom of Heaven? It is the place where you love the people of the world as your own family, and people who do this are the people of the Kingdom of Heaven." [5]
