Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "Open up your hearts, receive the Word of God, and take the path to individual perfection. Become representatives of the True Parents. Become horizontal true parents in the Era after the Coming of Heaven, passing on the Blessing of God to others freely and without reserve. Build the peace kingdom here on earth and become the blessed citizens of the kingdom of heaven, serving God forevermore as true parents yourselves." [1]

We all are challenged to become True Parents ourselves:

True Mother: "God's dream for humankind is for everyone to become True Parents. God's dream is [for us] to become a visible God..." [2]

By us going forward in that direction God's dream becomes reality. The Kingdom of God will emerge:

True Mother: "We can realize God's dream, the wish of humanity, which is one family of humanity under God. We can realize the dream of the kingdom of heaven on earth. And today is the day that dream begins." [3]

How do we become True Parents? By training our heart, exercising our heart, so that our love resembles the love of God and True Parents more and more:

True Father: "People who change their character to fit the way of Heaven are the true people of God's hope.

We all need to practice the true love that liberates us to love our enemies, become true persons who properly understand the spirit world, become true parents and establish true families. This personal transformation is the starting point of the world of peace." [4]

By us having a transformation of heart, step by step, we become the people that fit the way of Heaven. Such people are the ones that establish the Kingdom of God, together with God and True Parents.
